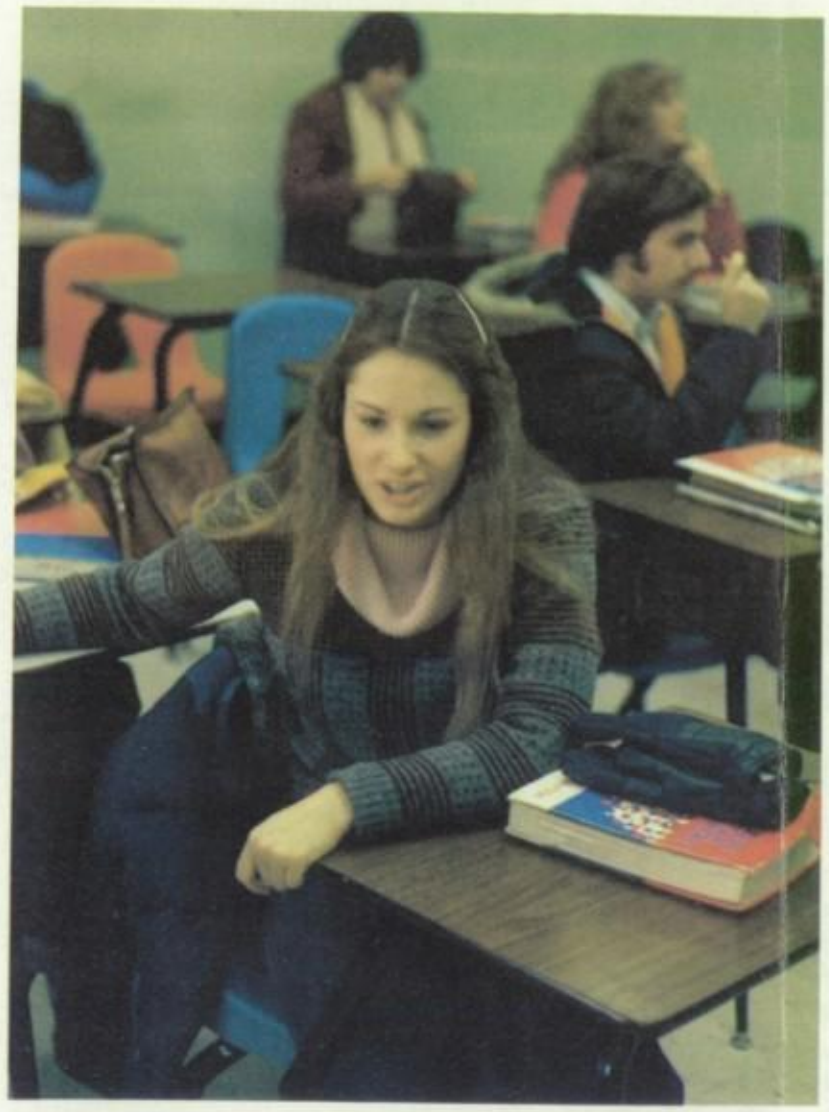
Everybody Needs Friends



And in the sweetness of friendship
let there be laughter,
and sharing of pleasure.

So often we, like flowers, dwell
Too deep within our Human shell
And pass through life- "not understood"
Nor making all the friends We should.

I AM only one,
But still I am one.
I cannot do everything,
But still I can do something;
And because I cannot do everything
I will not refuse to do the something
that I can do.

WE MUST MOVE FORWARD

Through this toilsome world, alas!
Once and only once I pass;
IF a kindness I may show,
If a good deed I may do
To a suffering fellow man,
Let me do it while I can.
No delay, for it is plain
I shall not pass this way again.

Homecoming, a chance for everyone to show their school spirit. A change from the normal school week to a week of everyday excitement. This year's Student Government did a fine job with such activities as Hat Day, Class Color Day, 50's Day and the Homecoming Dance.

All activities were well planneded and that could be seen in the way they were carried out. Homecoming Week, all in all, gave everyone a chance to see how great school spirit can and should be.

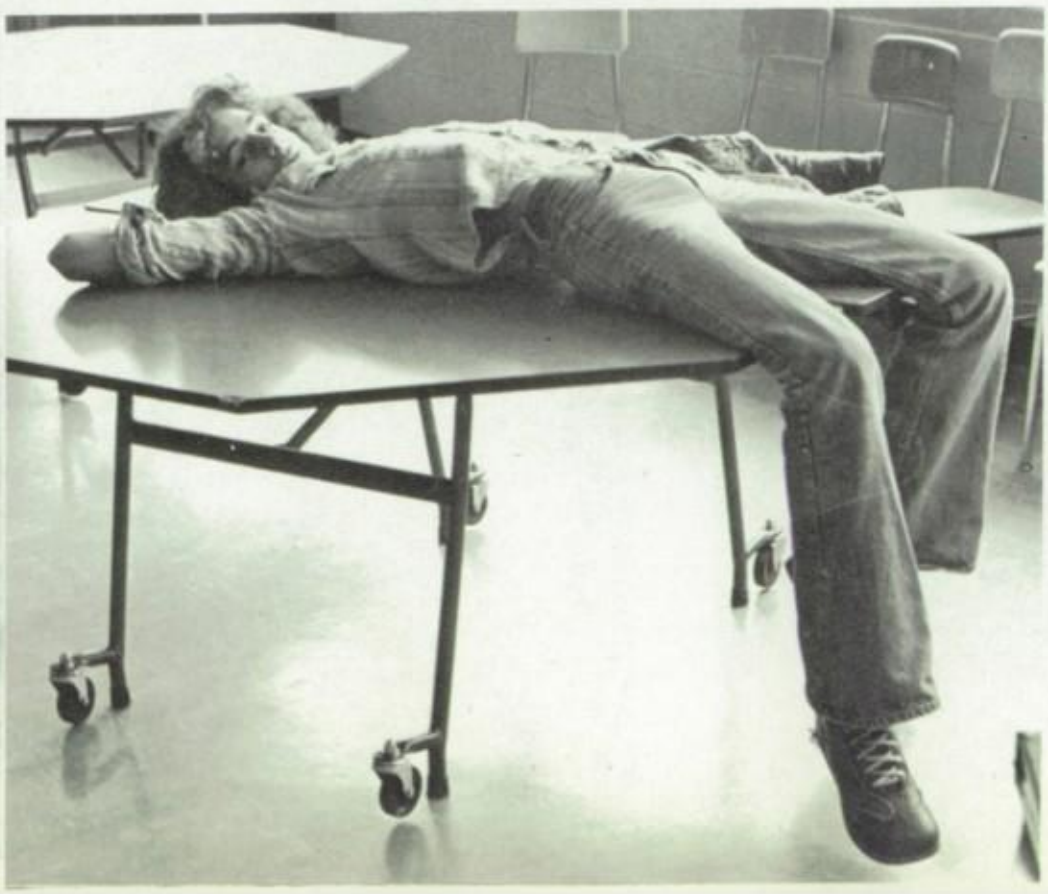
DUROSS

Can it be that it was all so simple then
Or has time rewritten every line
If we had the chance to do it all again
Tell me, would we, could we

Memories may be beautiful and yet
What's too simple to remember
We simply choose to forget
So it's the laughter we will remember
Whenever we remember, the way we were
The way we were



Years Together

Looking back a few short years
When we made our plans and
played the cards
The way they fell
Clinging to our confidence
We stood on the threshold
of the goal
That we knew dear
And though we had our fights
Had our short tempered nights
It couldn't pull our dreams apart
All our needs and all our wants
Drawn together in our heart
We felt it from the very start
It's all happened recently
Now we're living in that dream
We had not long ago
Everything is going fine
And now we just have to
keep in mind
We must set brand new goals
We must not lose control
Of the possibility
of the discovery
That would let everybody see
That we were just meant to be.

A FACE

"I am not treacherous, callous, jealous, superstitious,
supercilious, venomous or absolutely hideous:
studying and studying its expression,
exasperated desperation
though at no real impasse,
would gladly break the glass;

when love of order, ardour, uncircuitous simplicity,
with an expression of inquiry, are all one needs to be!
Certain faces, a few, one or two-or one
face photographed by recollection-
to my mind, to my sight,
must remain a delight.

Smiles, Tears, Laughs, and Fears ...

As my life goes on, I believe
Somehow, something's changed
Something deep inside, a part of me.
There's a strange new light in my eyes
Thing's I've never known.
Changing my life, changing me
I've been searching so long
To find an answer
Now I know my life has meaning.
Now I see myself as I am
Feeling very free
Life is everything it's meant to be.
When my days have come to an end
I will understand
What I've left behind,
Part of me.
I've been searching so long
To find an answer
Now I know my life has meaning
I've been searching for an answer
To the question – Who am I?
Maybe it's true, it's only natural
Good things in life take a long time.

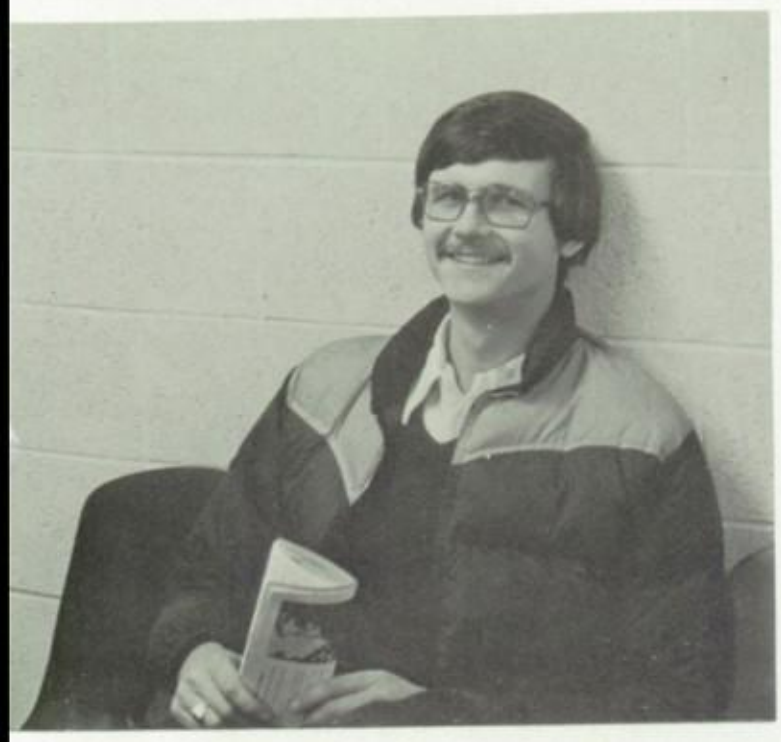
Model U.N.

Recipe for a Model U.N. Convention: Take 300 not very shy people, who can go five days and four nights without much sleep, but can still debate controversial issues between countries, use lots of big words, and can last through a state of confusion. Put them all in the Kalamazoo Hilton; give them several large, sound proof, convention rooms and mix well. Through all of this, many countries' policies have changed considerably and several diplomatic relationships of strange coincidence have been formed.

1. Mr. Pardike, the Model U.N. sponsor.
2. Elaine Constand, Kristen Churley and Michelle Wood all take an active part in the groups activities.
3. One of the delegations that the Model U.N. has assembled, with Kim Vendzuh, Vickey Markovich, Chris Wojcik, Sue Anderson, Patty Rosteck, Maria Yizze and Lisa Yizze.
4. Roseann Pizzo and Jewel Grove call order to another meeting.

Starting from the left: Mr. Pardike, Maria Yizze, Lisa Yizze, Patty Rosteck, Michelle Wood, Kim Venzuh, Kristen Churley, Jewel Grove, Roseann Pizzo, Elaine Constand, Lyndsay Clark, Vicky Markovich, Chris Wojcik and Sue Anderson.



Student Government

Within the guidance of the officers and the extreme hard work of it's members, this year's Student Government is a very enthusiastic and efficient group of students. The main objective for this year is to organize as many activities as possible for the students at Chippewa, so that school unity and spirit is increased.

This year's Student Government has learned to practice the parliamentary procedure and the adminstrative process. They are a group of students who are really concerned with what is happening.

Forensics Does It Again.

Forensics is a competitive speech activity. Students from all over the State compete in tournaments every Saturday from Mid-February to early May. Forensics is a creative and diversified activity consisting of 10 different categories of performances regulated by strict rules and time limits.

Chippewa's teams, under the skill of Miss Stephanie Konrad, has been recognized as one of the top ten teams in the State. They have won consistently at invitationals and they have qualified for State finals six out of the seven years the team has existed.

1. Don't you love Miss Konrad's braids.

This year's debate team started out fresh in more ways than one, with new students and a new coach. Though lacking in experience, the debators came through in that victorious Chippewa tradition.

Starting late into the season, they entered the Middle Macomb League and left with trophies and a 12-6 record.

Debators winning trophies were Kim Rude, Third Place Speaker Award; George Schuster, Fifth Place Speaker Award; and Julie Kurzava, Over-All Top Debator.

This year's team consisted of Coach Mr. Walter Tychloiz, Capt. Theodore Oresky, George Schuster, Kim Rude, and Julie Kurzava.

The fact that Drama Club qualified for the State "one-act" finals was indeed a significant accomplishment, but these talented and hard-working members were not satisfied with that achievement. At the State level, their production "The Bear" placed sixth.

Their play was awarded an excellent set, make-up, and costume award. The judges at the State level repeated many of the same comments as those at the regional level. Both sets of University professors who were judges, were impressed with their maturity.

This year's play broke all existing records and after progressing through three stages of competition, it was awarded seven certificates and four medals of recognition and two trophies.

B.O.E.C.

The Business Office Education Club (B.O.E.C.) is a high school career education organization for students with a career objective in office occupations. Membership is for those students who are currently enrolled in a business course. Some of the purposes of B.O.E.C. are to develop and strengthen the confidence of young people in themselves and their work, to improve and establish standards for entrance into a business career, to encourage the development of occupational skills, knowledge and ability to a high level of proficiency, and to develop leadership ability through participation in educational, vocational, civic, recreational and social activities.

Varsity Club "79"

Membership in the Varsity Club can be attained by earning a Varsity letter in a Varsity sport at Chippewa. The Club members are required to participate in money making activities to receive credit for trips to professional athletic events. Some of the money making ventures include the concession stand at home games, candy sales, and car washes.

The club is also involved in several charity activities. The Special Olympics for the Handicapped as well as donating money to the schools with handicapped children are some favorites of the club.

The Beat Goes On

One band at Chippewa that is keeping the musical beat on a high note is the Stage Band. Stage Band, directed by Ron Cardeccia, can be found at Basketball games, Fall Follies, and Stage Band concerts.

Neither the students or Mr. Cardeccia receive any money or extra credit for playing in the band, but they sure give people a lot of enjoyment.

1. Mr. Cardeccia keeps the beat up. 2. Fall Follies performance. 3. Half time entertainment. 4. One and a two and a three. 5. Outstanding band student Bruce Bradford. 6. Practice makes perfect.

Chippewa Goes on Strike

On Monday's after school, you can find a lot of students at Frontier Lanes. Intramural Bowling involves about 48 people – divided into 12 teams.

Every week they compete for points – with reason. The top 3 teams each receive trophies for their efforts. Trophies are also given out for high games, high averages and for the most improved bowler.

It's not "Bowling for Dollars", but whoever wins, be it Quadrophenia, Blue Ribbon, The Twisters, The Gutter Dusters or some other team, all agree it was a good time.

Equestrians Are On Their Own

A new addition to Chippewa's student activities is the Equestrian Team. The self-supporting team of nine has been riding hard, competing in shows, and enjoying every minute.

In competition, the first event is started by Joan Fitzgibbon and Freida Simon. When they get their points, the Western class moves in with Dave Lezell, Debbie Bruno and Laura Cadle, bringing in more points. The English event is up next with Eric Schwartz, Becky Marshall, Sonya Mozeleski and Colleen Herman. They make a strong and confident group.

The team works hard and their efforts have been rewarded. In their first year as a team, they placed second in the Port Huron Championship. The team is happy and looking forward to an even better year in 1980.

Skiing

Alpine Valley, the place alot of students spent their Wednesday evenings this year. The ski club sponsors Mr. Weits, Mr. Shanbeck and Mr. Kennedy said the skiing turnout this year is better than in the last three years. The students who participated in the program felt it was very successful and are hoping for another fine season next year. After all, it is a great sport done purely for enjoyment.

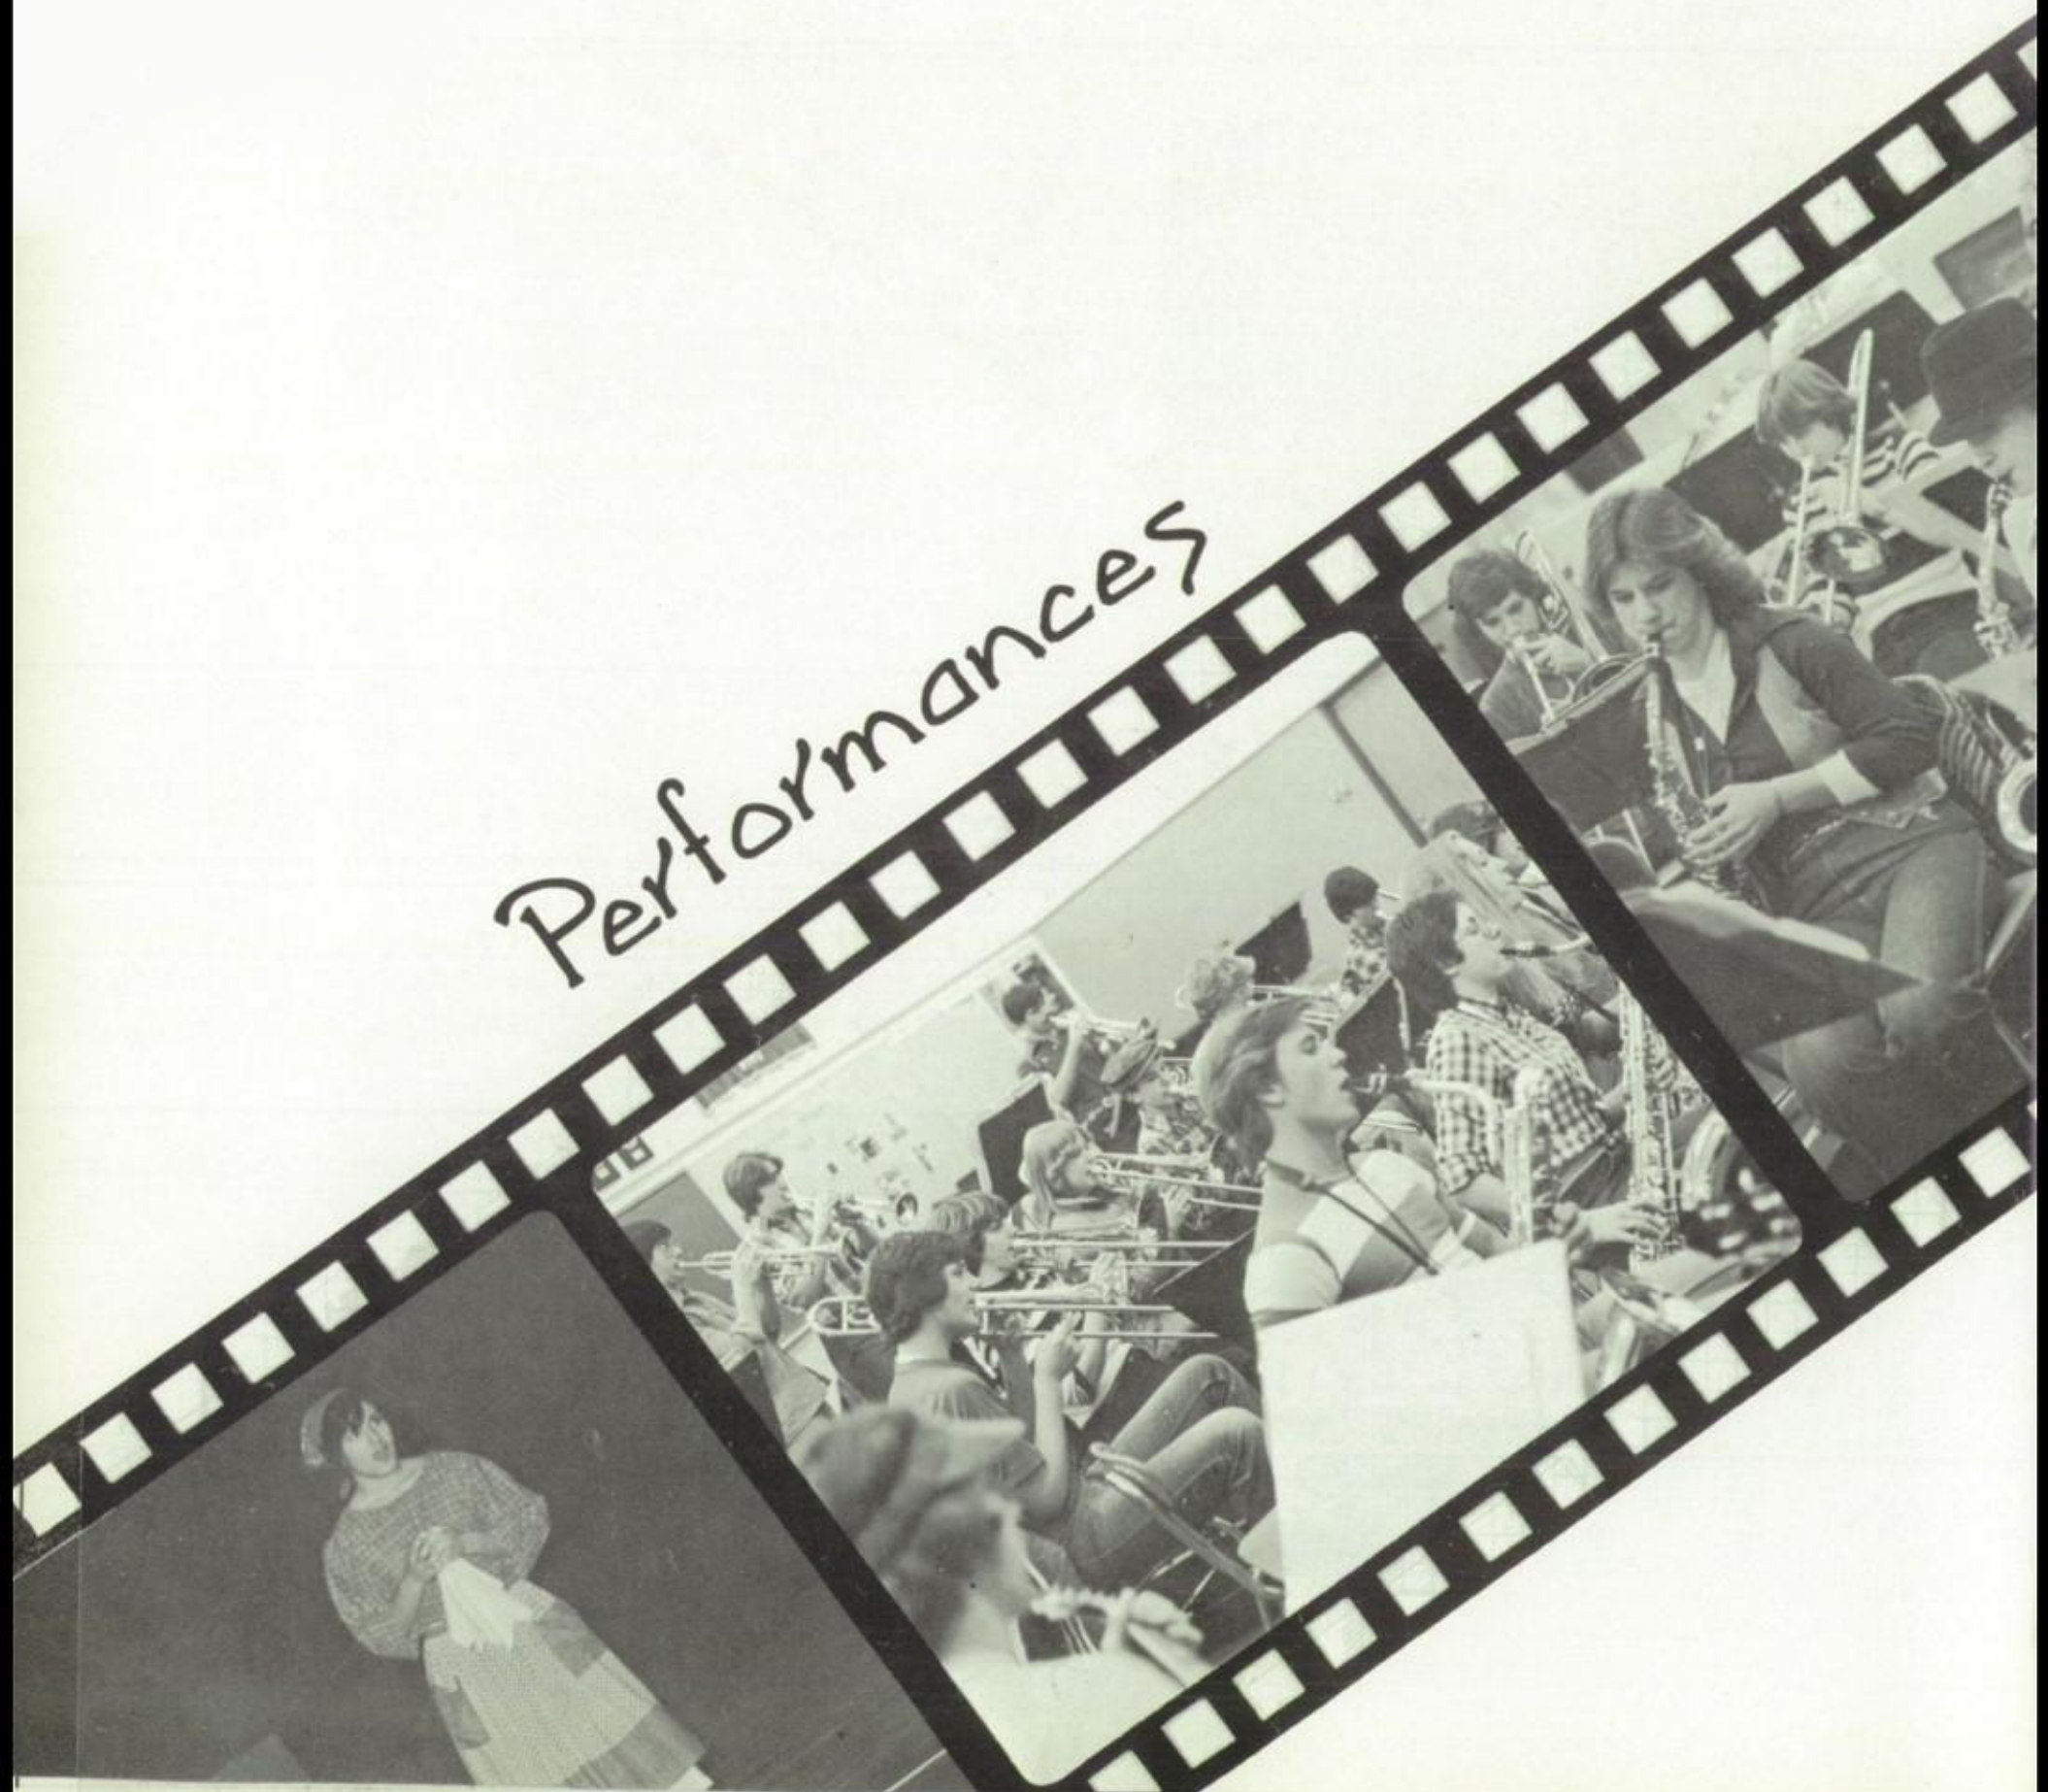
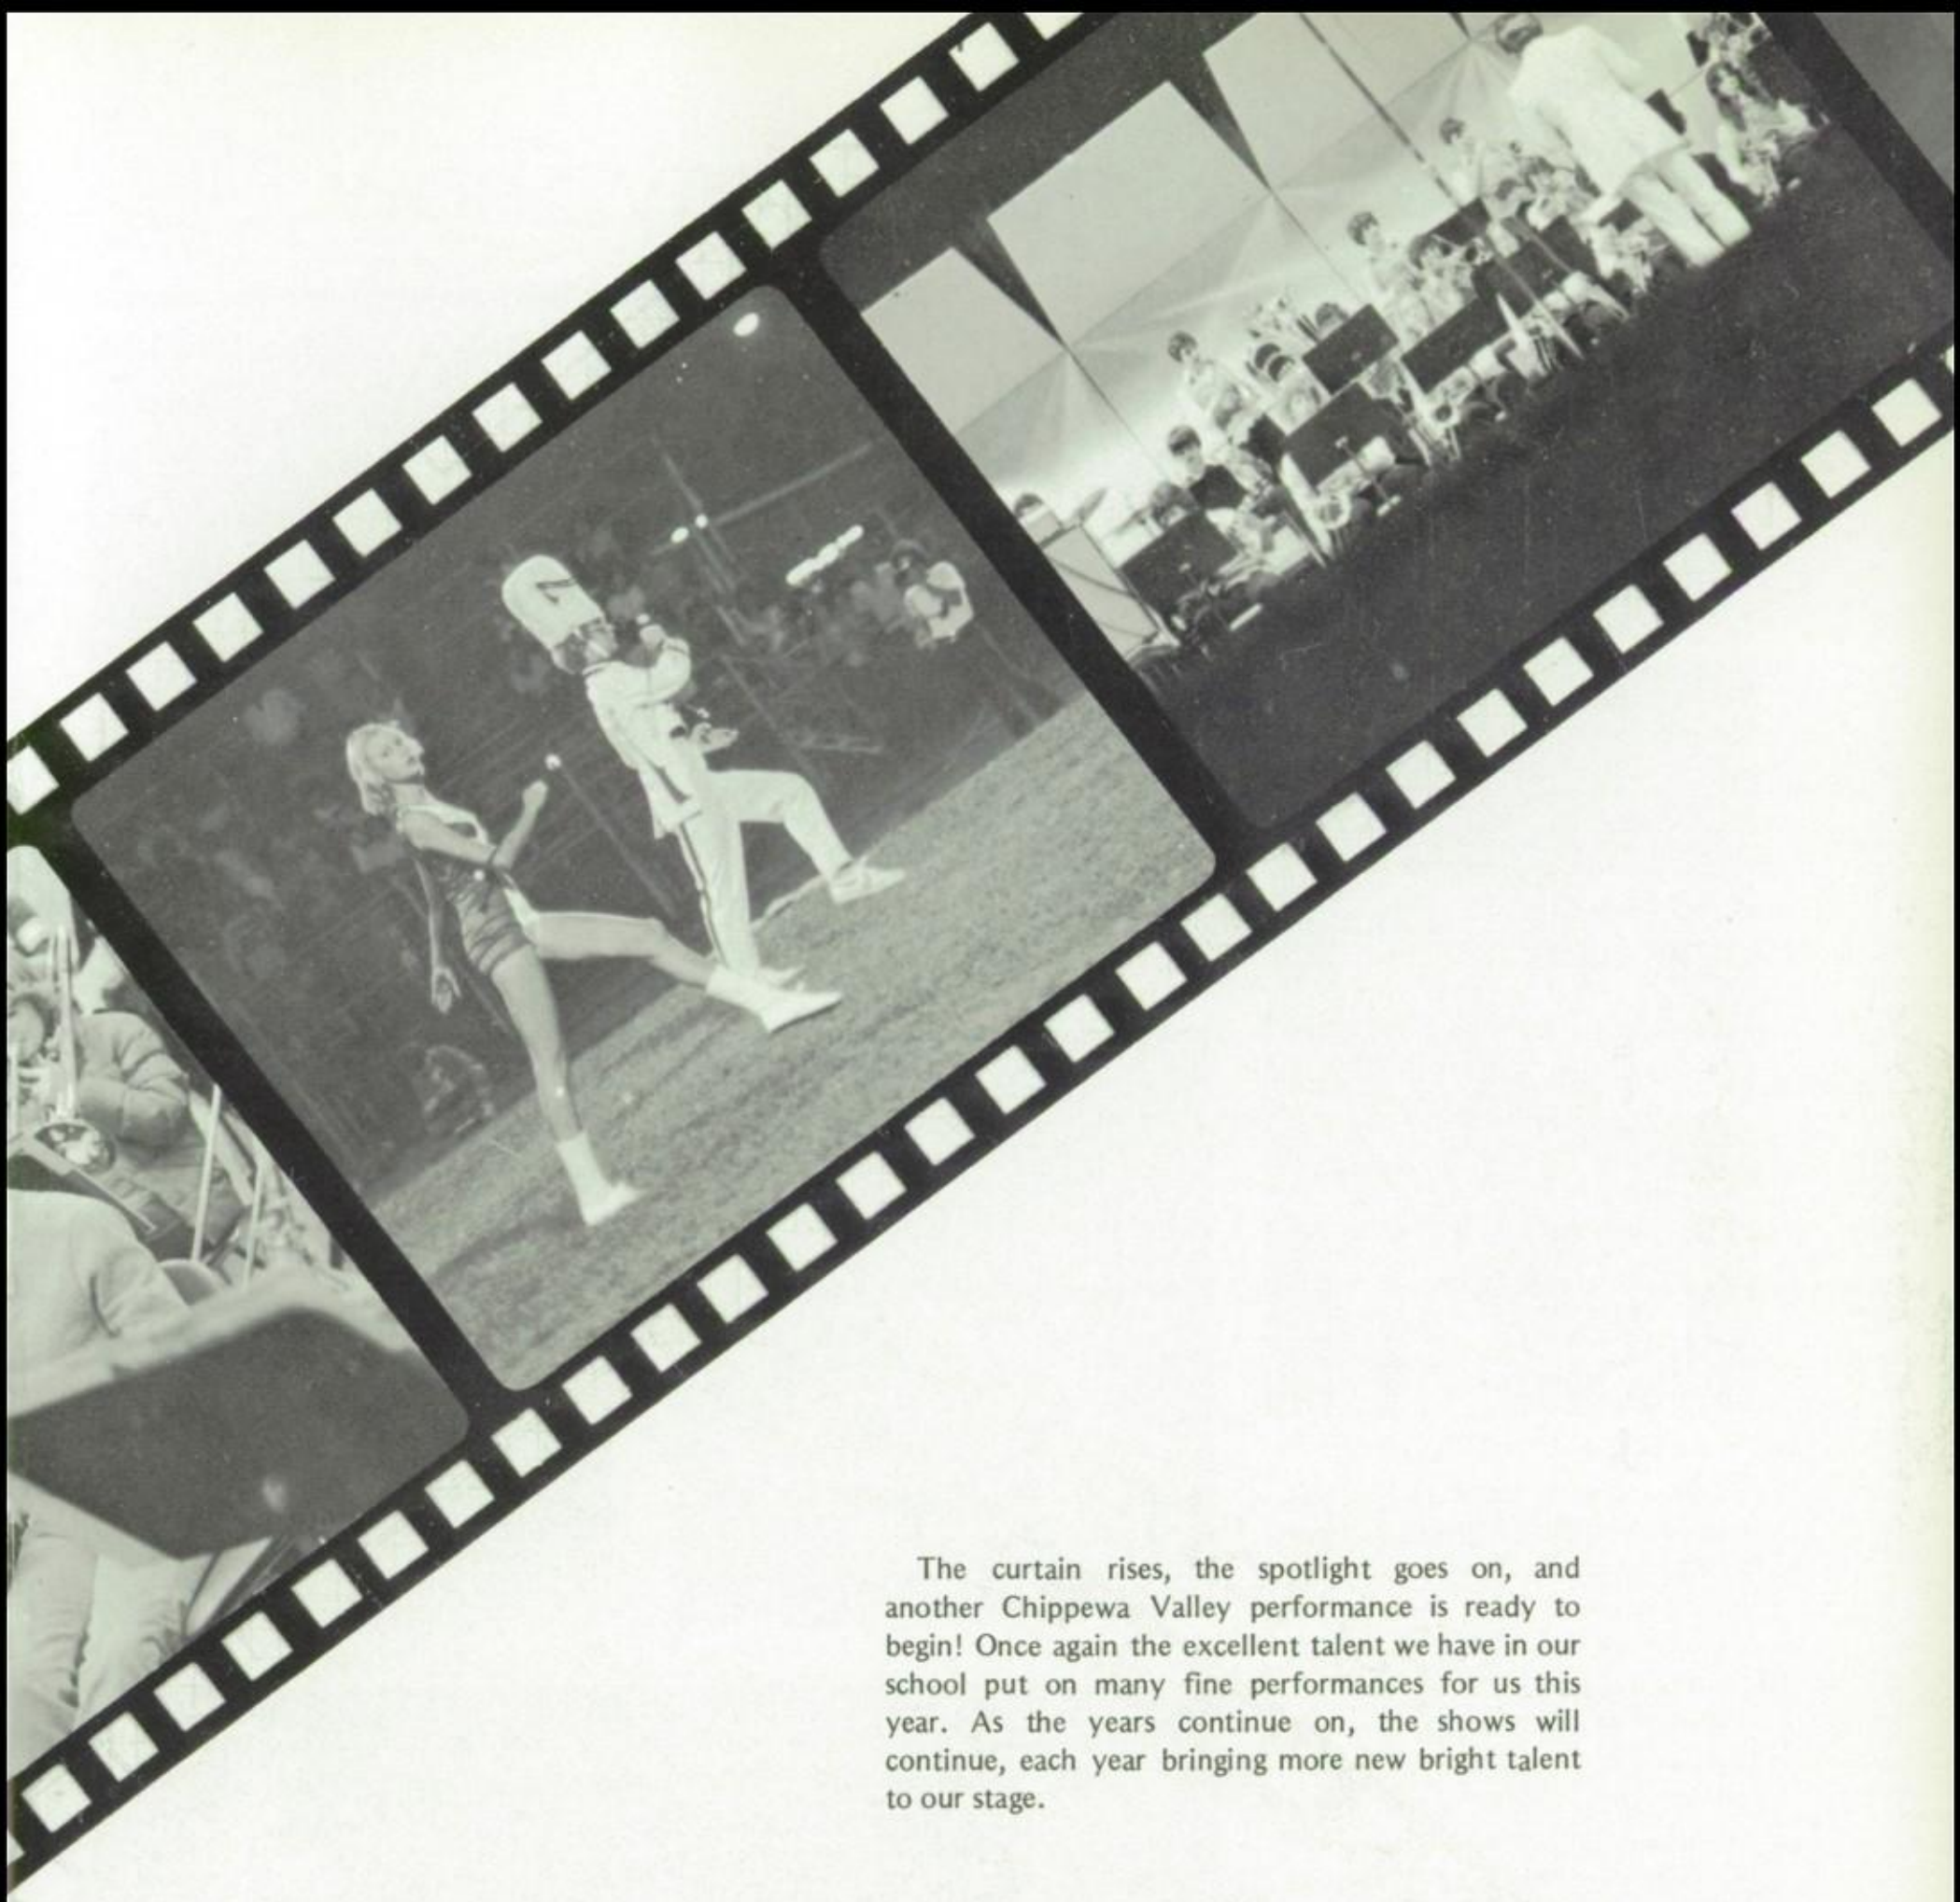
Performances





The curtain rises, the spotlight goes on, and another Chippewa Valley performance is ready to begin! Once again the excellent talent we have in our school put on many fine performances for us this year. As the years continue on, the shows will continue, each year bringing more new bright talent to our stage.

A Successful Variety Show

1. Pete Tocco .and Paul Feig are this year's M.C.s.
2. 1st place winners, Jim Riggio and Nancy Grantham.
3. Julie Kurzava and Ed Bornoty with a performance second place.
4. John Czarnik, George Grzywacz, John Procita, and Steve Prue singing C.V.H.S.
5. Pauly Toma and the rest of the crew with their "ode to teachers."

1

The Variety show was a big success this year with the help of outstanding acts. Technical theatre arts played a large role in the Variety show with expert use of sound and light. Thank you! Ms. Fadell. The three outstanding acts selected by the judges were: in first place, Jim Riggio and Nancy Grantham singing a song that was written by Jim Riggio. Second place went to Julie Kurzava and Ed Bornoty singing Scarborough Fair. Third place went to Pam Makowski singing Tomorrow. Congratulations to all who helped and performed in the 1979 Junior Class Variety Show.

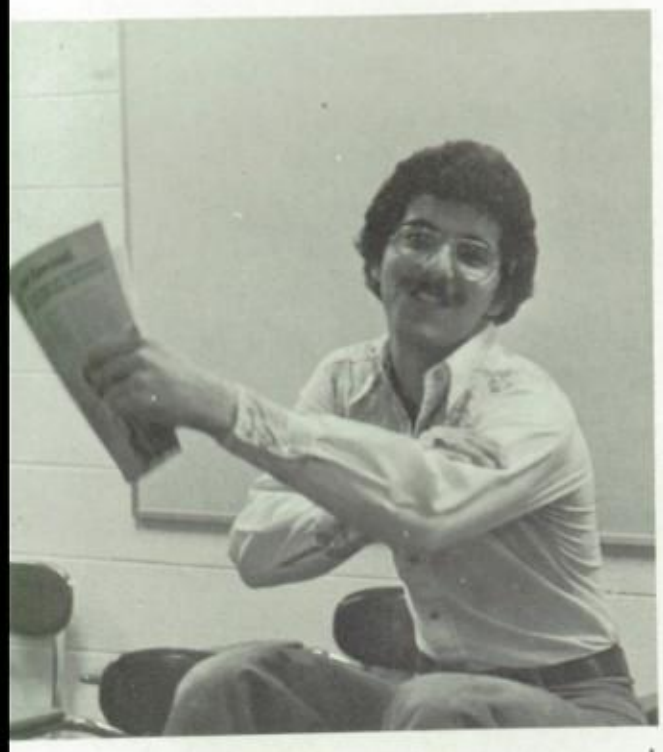
Chippewa "78-79" Choir



1

2

This year C.V.H.S. has a new start, with a new choral director, Ms. Merrill. We've had our traditional Fall Follies which included the Roaring Twenties to the Raging Sixties. Two good M.C.'s really topped it off. The Christmas Concert was a real success at St. Peter's Church, accompanied by the Flushing String Quartet. Our Madrigals and Acappella choirs made a trip to Greenfield Village. A new group, composed of almost all sophomores and called the Concert singers will perform for the rest of the year.

Chippewa Valley Choir moved into a new year with a new teacher, Miss Kathy Merrill.

Miss Merrill has many years of experience and is very well qualified. Backed by a lot of talent and knowledge from the students, Miss Merrill should be able to get off to a booming start in her first year. The past few years have been excellent for the choir. Good Luck in the following years, and keep the good work, C.V.H.S. Choir.

The Band Performs

1

2

In 1972, Mr. Berndt took over the instrumental music program at C.V.H.S. At that time the program had 90 students in two bands. Today there are 160 students in 4 bands and classes. They are: Stage Band, Symphony Band, Concert Band, Marching Band, Percussion class, Brass class and Woodwind class.

For the first time the band has received a first division rating. Since that, the band has received two more first division ratings. Last year for the first time, the Concert was entered and received a second division.

Interest in band, and a large enrollment has inspired Mr. Berndt to start a new band next year called the Varsity Band.

Drama, Better Than Ever

1

2

Drama Club at C.V.H.S. has grown immeasurably. Over the last eight years, the club's reputation has grown to excellence throughout the state, by the direction of Miss Konrad. The very successful club still maintains the basic principles needed to have a good club. Every member of drama is part of a special family that loves the theatre. With a fantastic production of "The Bear" the club broke all the school records by winning two trophies, four superior awards and two excellent certificates.

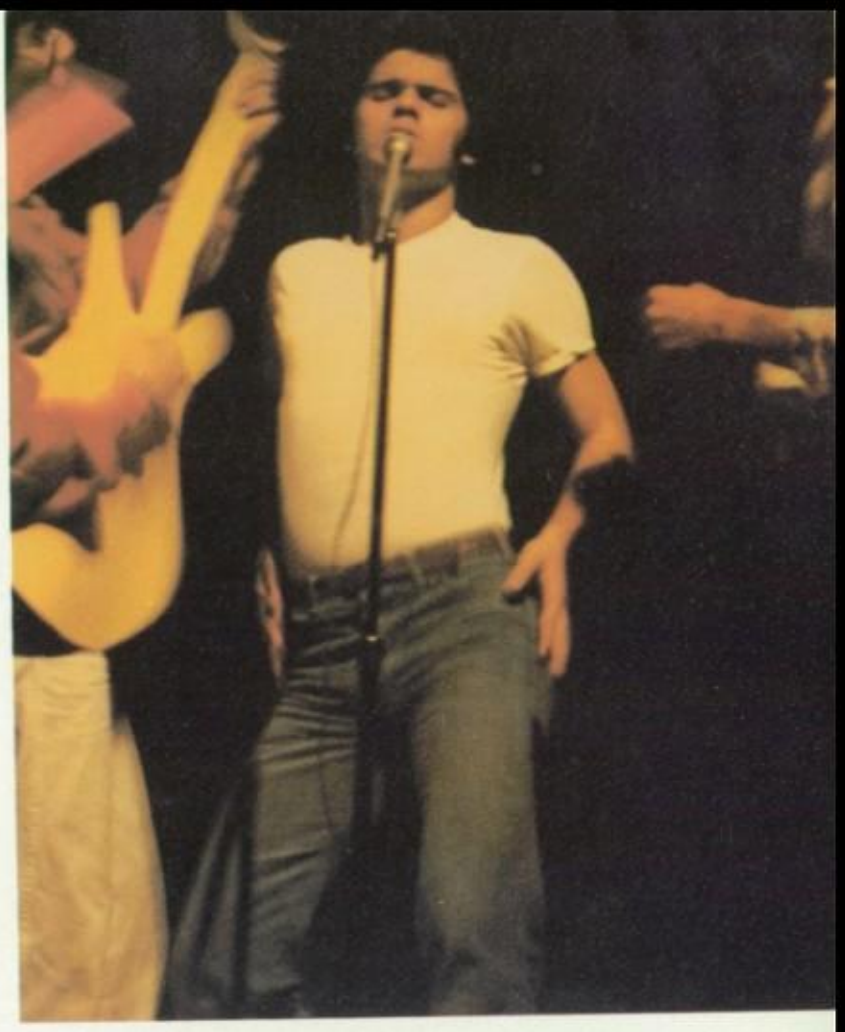
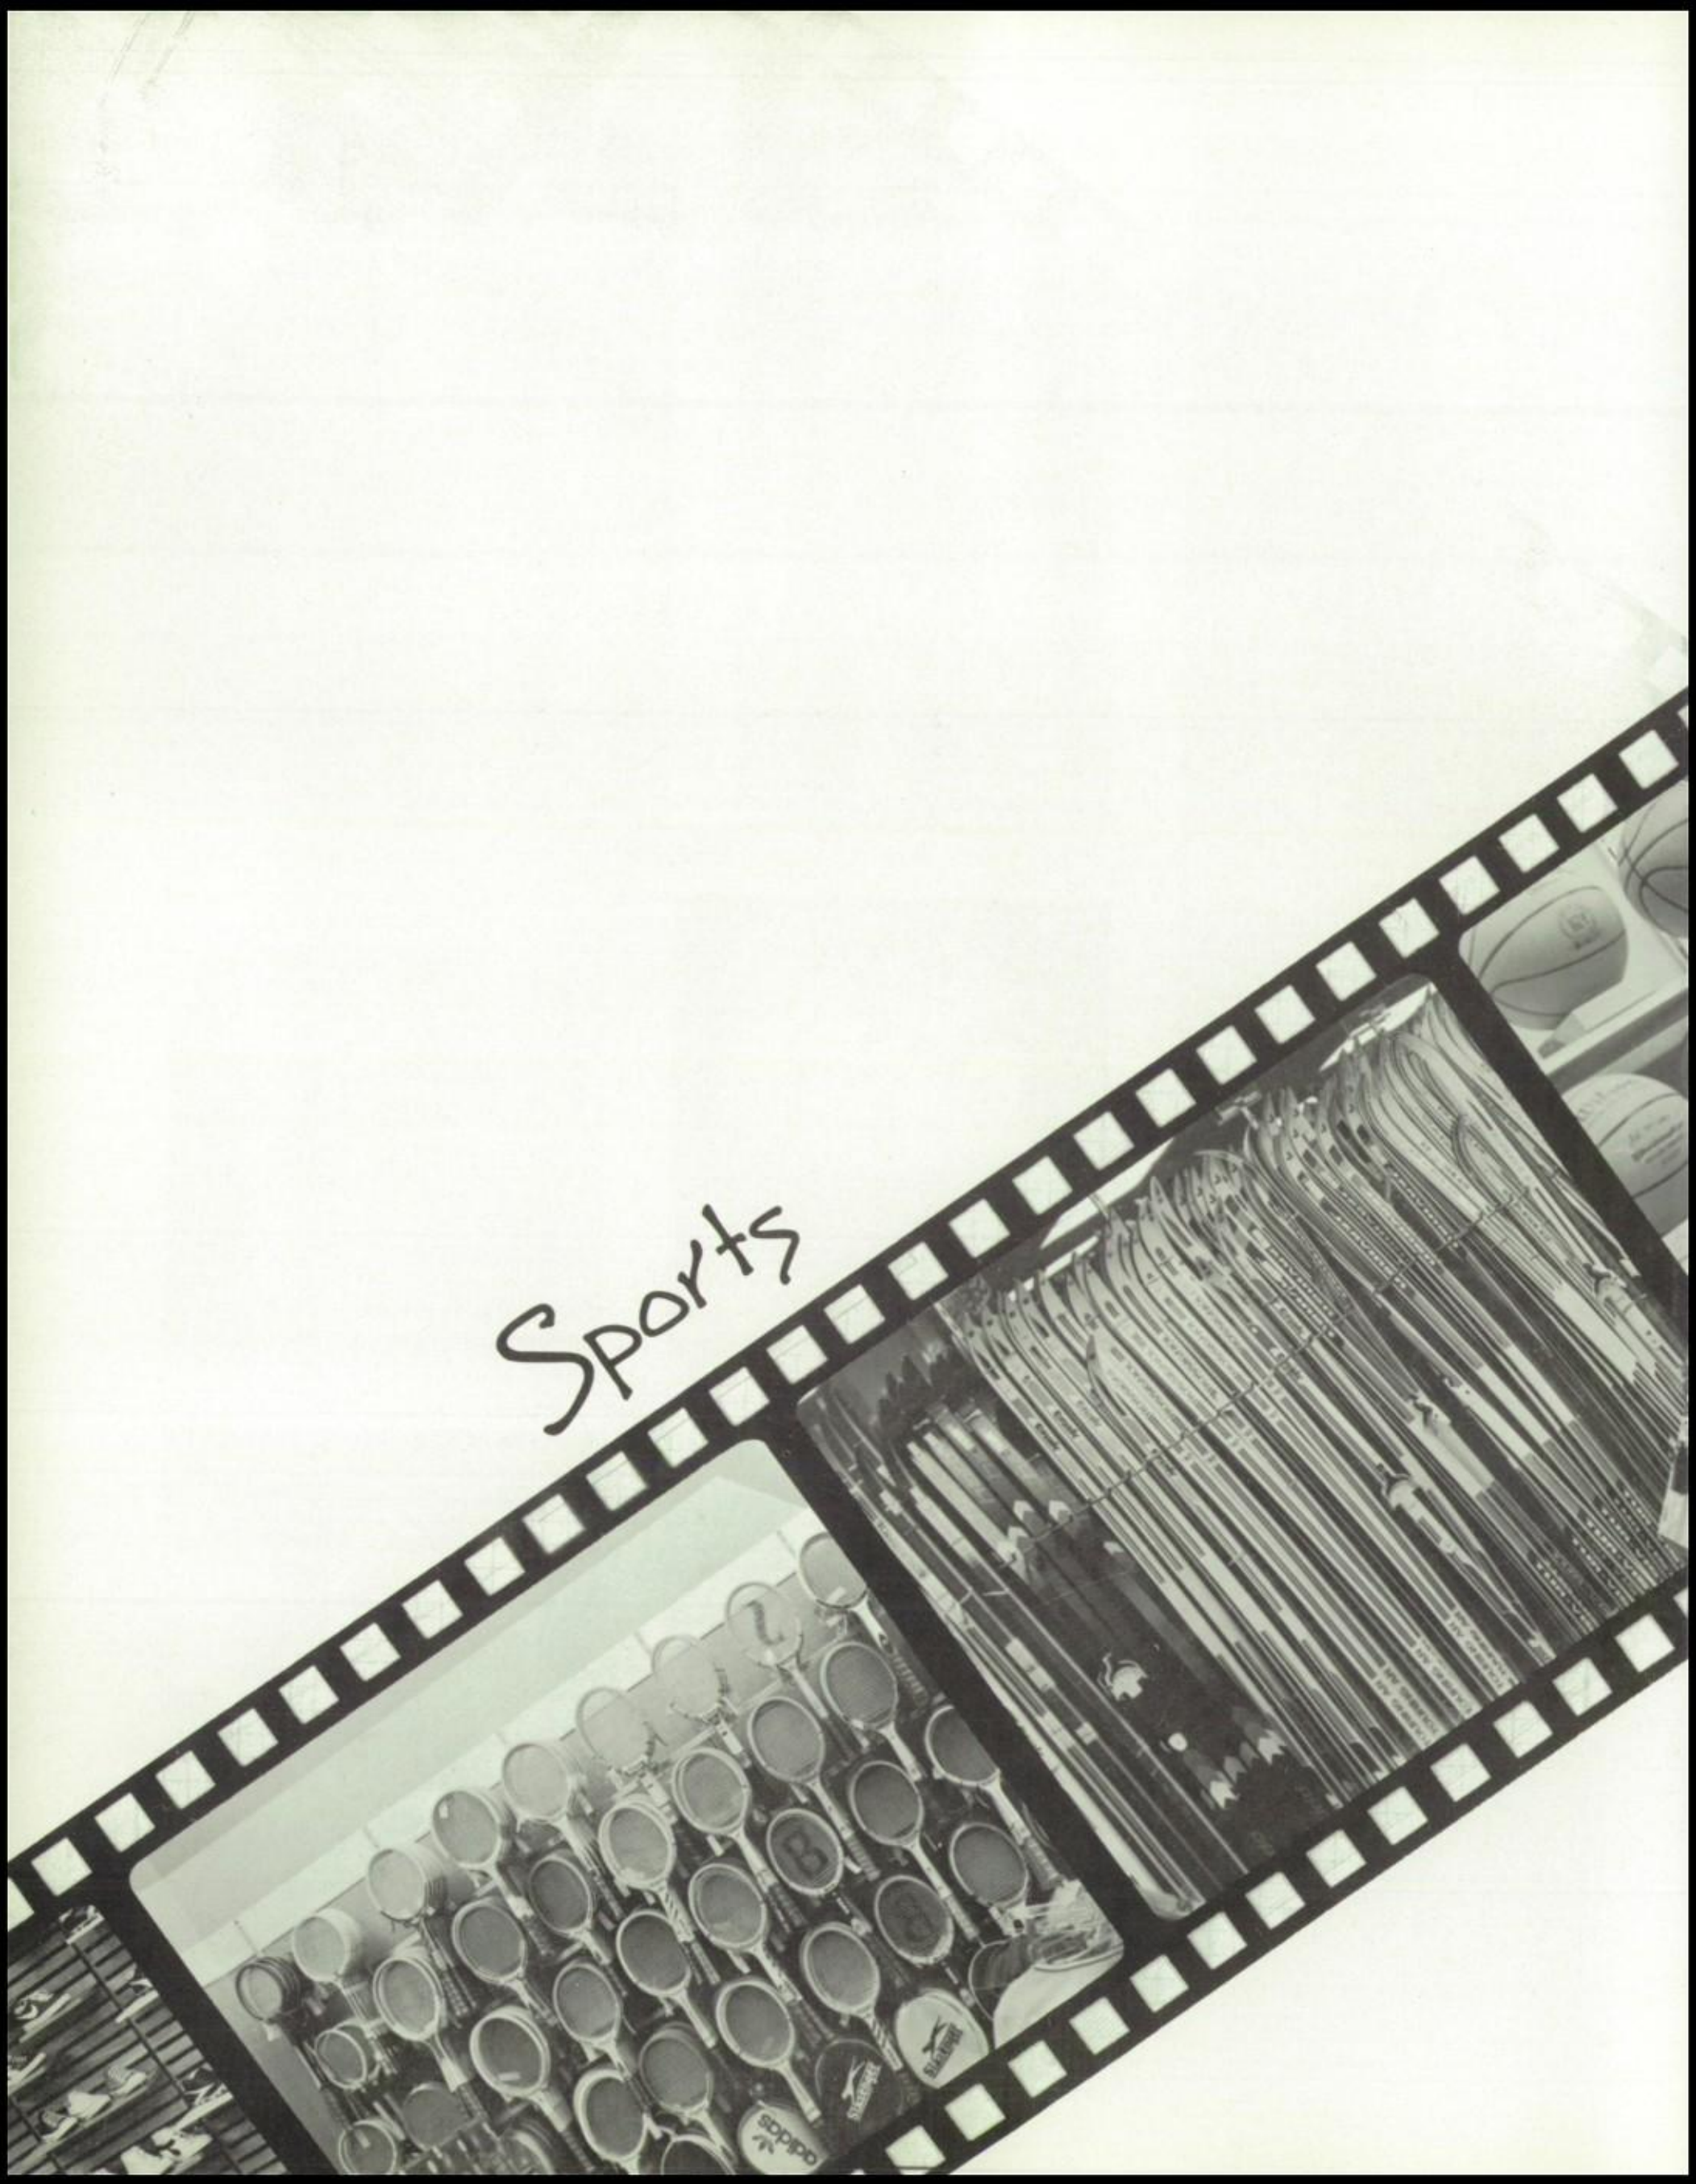
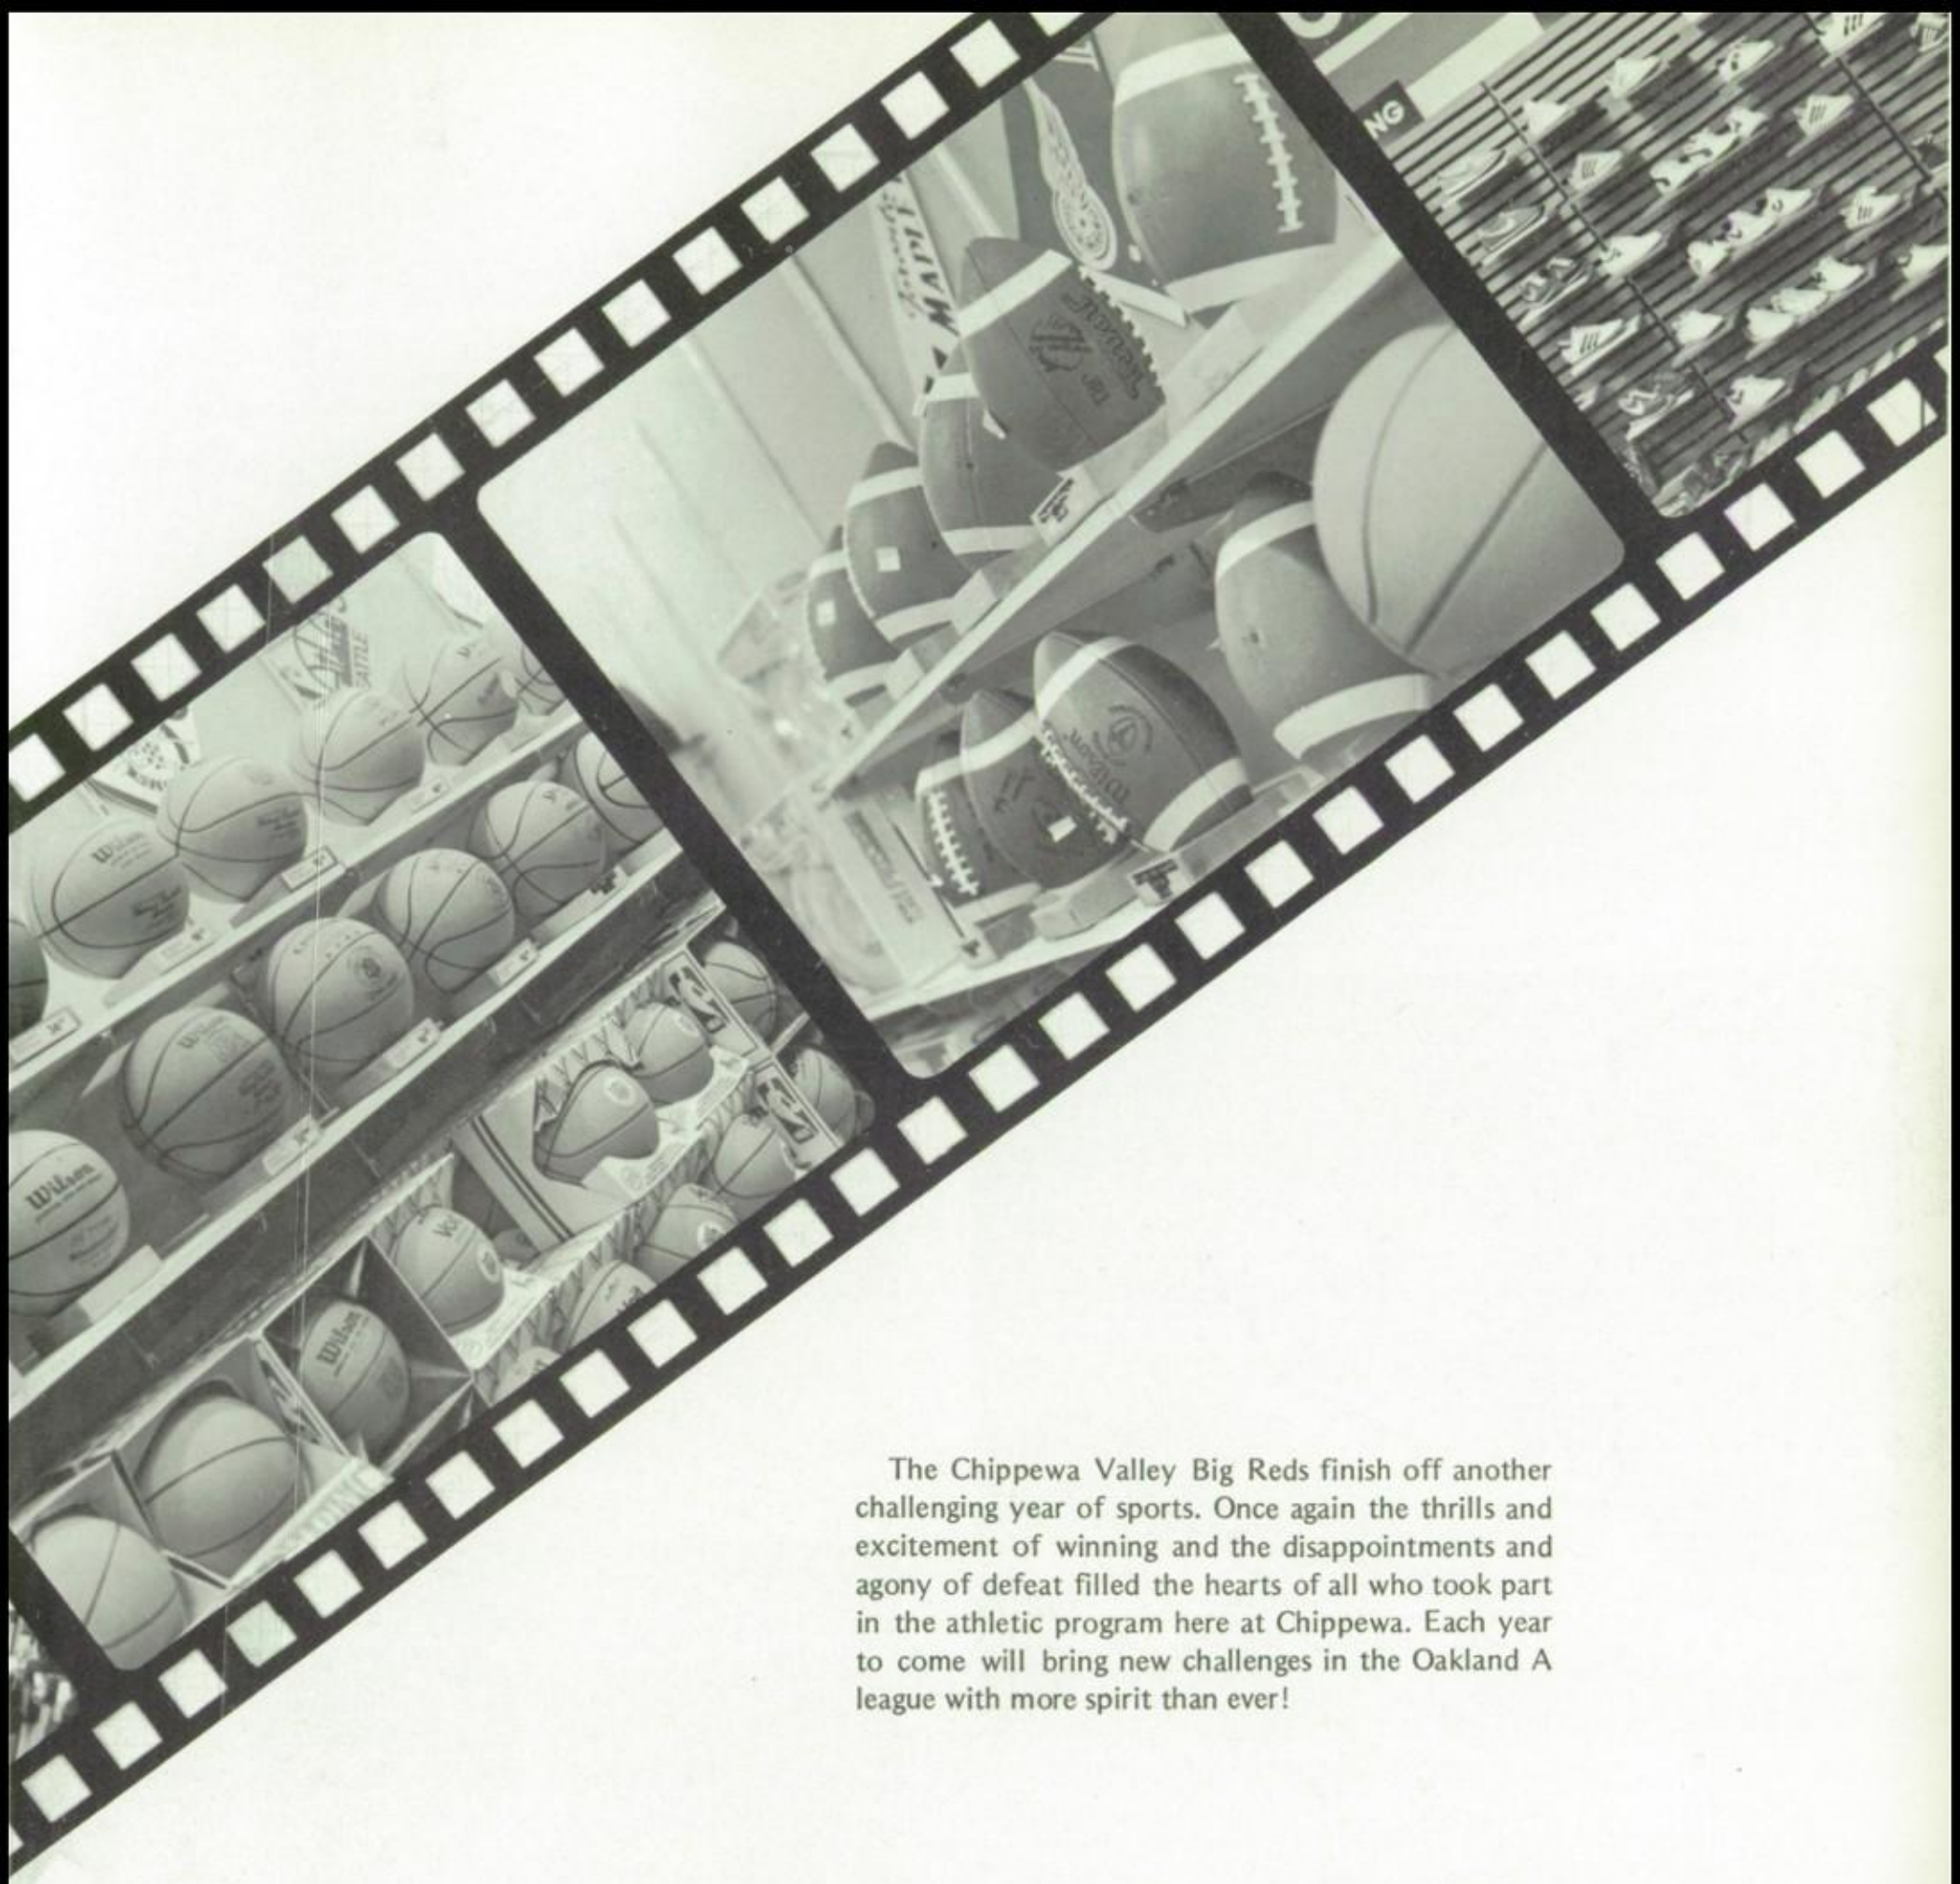
The Show Must Go On



Sports





The Chippewa Valley Big Reds finish off another challenging year of sports. Once again the thrills and excitement of winning and the disappointments and agony of defeat filled the hearts of all who took part in the athletic program here at Chippewa. Each year to come will bring new challenges in the Oakland A league with more spirit than ever!

Big Reds Handicapped Because of Injury

Although, from a record standpoint, this years team fell short of their goals, they fulfilled all expectations in developing a legitimate team attitude. Despite the disappointments, the coaches and players remained supportive of one another and didn't let the losses destroy their self-respect.

The team was very young, comprised mostly of sophomores and juniors. The experience these young players gained, particularly the positive leadership demonstrated by the seniors, should be a foundation for improvement to excellence in the years ahead.

Players honored were captains Steve Murray, Steve Shehan, and Art Miller. Steve Murray gained first team All Conference honors, as well as second team All County (A) and All County combined, he also received Honorable Mention Metro East. Eric Strauss, Steve Shehan, Art Miller, Bob Smith, Don Drabik, Stan LaPerriere and Rich Aniel were Honorable Mention All League for their efforts.

Junior Varsity Plays a Tough Season

Despite only one thrilling victory, the Big Red's Junior Varsity football team achieved its goal of preparing players for Varsity next season. The team was very competitive and rarely out of any of the games they played in.

Indicative of the athletes who worked hard and provided a model for other football players was Tom Olivieri who played both offense and defense for the Big Reds. The Junior Varsity players will be an important part of next years Varsity.

Freshmen Football Stands Tall

Chippewa Valley's freshman football team had a tough season this year. A hard working coach, and a lot of effort by the team helped them to play tough and keep themselves going. Despite their record, the Big Reds showed much promise and enthusiasm for next years J.V. and Varsity. The Oakland A is a tough league, and there was a lot of individual effort by each of the teammates. We look forward to a good Junior Varsity team next year.

Girls Tennis; League Champs!

The Girls Tennis team and its coach, Ms. Cheryl Slowiczek, ended the season on a very positive note. The team's over-all win-loss record was 11-3, with an Oakland "A" League record of 11-1. This league record earned the team the All-League Championship trophy. Recognition was also attained when Chippewa hosted the League Meet, for the team won a trophy for coming in first place.

Other awards received by members of the team include "Most Valuable Player", won by ninth grader Anne Marie Floreno. Her record at first singles position was 14-0 and her presence was greatly appreciated by the team. Theresa Kozlowski, an 11th grader and a co-captain, also had a very good year by winning the 4th singles position at the League Meet. Winning the third flight doubles position was the team of Terri Hauer and Julie Houthoofd.

The team looks forward to another good season in 1979.

Cross Country Runners Excel

If the 1978 Cross-Country season could be summed up in one word it would be "success". The word applies not only to the over-all team gains, but also the many individual achievements.

Both the boy's and the girl's teams had winning records; 10-5 and 4-3 respectively. Each brought a first place trophy home to Chippewa; the boys in the Notre Dame Invitational and the girls in the Macomb County Invitational.

Many individuals also received personal recognition. Gary Lukas not only won the Notre Dame Invitational, but was undefeated in dual meets, selected to the All-Macomb County Cross-Country team, co-Most Valuable Player in the Oakland "A", and a State finalist. Gregg Lukas, hot on his brother's heels, was also a State finalist. Three of Chippewa's girls, Lynda Herman, Michelle Roberts and Wendy Laise also made the All-County team. Lynda went on at Regional competition to become a State finalist.

Golf Team Looks Good

This years Golf Team shows quite a bit of depth as far as its players go. The seniors on the team were Joe Earhart, Kevin Schill and Matt Honos. Juniors included Shawn Trauer, Tom Ulrich and Jerry Rizzo. Gary Hanton, a freshman, also earned his varsity letter as well.

Outstanding golf by Tom Ulrich earned him the honor of All League. Joe Earhart also played good golf during the season, he was selected All-League honorable mention.

This years team had a 3-5 league record, and an 8-7 overall record.

Soccer Comes to Chippewa

The 78-79 school year has been the first year in which we had two soccer teams at C.V.H.S. The Varsity team had a rather unfortunate premier season. However, they began to win after making defensive alterations, as well as changes in the team's strategies. Coach Horton, who himself is a newcomer to the sport, did an excellent job in coaching the team. A good number of people tryed out for the team proving Soccer is finally here and planning to stay.

Inexperience Proves To Be a Threat

The J.V. Soccer team, also coached by Mr. Horton, did quite well this year. The team wiped out their opponents on several occasions. With 5 wins to back them up, the J.V. team established themselves as a real threat. There were many outstanding individual players, including Chris Krupp, the only female on the team. She showed that she could play as well as any guy. This being the J.V. team's first year in the Oakland "A" conference, many were surprised by how well they played, but the team had confidence from the start.

Varsity Girls Prove Themselves

The girls Varsity Basketball team finished with an overall record of 6-14, while finishing with a 5-6 League record. This years squad was young and inexperienced, and this accounted for many of the losses.

With many of the girls returning and young prospects from the J.V. team, we look to go places next year. Holly Nelson, senior and Angela Impastato, junior; made Honorable Mention in the Oakland "A". The team voted Angela Impastato Most Valuable Player, Kris Kare Most Improved Player, and Carol Madson Rookie of the Year.

Super Season for JV Team

The 1978 Girls Basketball season ended with a lot of hope and promise for the future. The J.V. team comprised an 11-4 record, second place in the Oakland "A". "A lot of hard work and dedication by the girls enabled us to have such a successful season," commented coach Larry Sylvester. Captains Gayle Waelchli and Margaret Vernier were brought up to Varsity for the tournaments and performed excellently.

Freshmen Have Impressive Season

This years Freshmen earned a 5-5 team record. All the players showed a lot of hustle and determination. Each player greatly improved throughout the season and showed potential for the future. Team captains were Debbie Spratke and Deanna Semenas who was high scorer with 93 points for the season. Miss Schoen, a new physical education teacher here at Chippewa, coached the girls. She was assisted by Dee Dee Bott. Miss Schoen feels the entire team exhibited good effort and worked well together.

Varsity Talent Impressive

This year's Varsity basketball team has put a step toward a stronger and more respectable basketball program. Though their record for the season may be unimpressive (5-12), the Varsity lost many close games including an overtime with state rated Clawson. Among the graduating seniors were Bob MacDonald and Eric Strauss, each receiving honorable mention All-League recognition Our league, the Oakland "A," is recognized statewide and the basketball team, like all teams at Chippewa Valley, has worked very hard to earn respect.

J.V. Prepared for Next Year

The JV Basketball team displayed a very good attitude towards a learning atmosphere. Although their record was 2-14, they still learned the skills and fundamentals.

Through the year, many players showed individual improvement, but the team could not improve as a whole.

Many JV players will give the Varsity team some help next year. Many of them have the skills and the ability to do so.

Rookies Wet Their Feet

For their first year of organized basketball, the Freshman basketball team produced respectable success. They improved in basic fundamentals as the year went on.

Coach Kern stressed defense, a successful part of their game due to their strong hustle. The team tried to work around a controlled and disciplined offense, but was not totally successful. Overall, the Frosh showed improvement from the beginning of the year to the end of the year, and a good showing.

Varsity Finds Teamwork Pays Off

The '78-'79 Varsity volleyball team had an outstanding record this year with 10 wins, 5 losses, 0 ties. The Varsity team competed in 3 tournaments and placed in two of them, taking the runner-up position in the shrine tournament, and placing 11th in the Battle Creek Tournament which had 60 teams in all.

This year the Varsity team is bigger and stronger than ever, says Miss Drake. "With the longer practices and special training and more scrimages, the team is more developed than ever."

This year the Varsity team traveled to Poland to compete against Poland's volleyball team. Miss Drake commented saying what a great experience it was, and that they learned a lot from a semi-professional team.

Perhaps when these are seniors, they'll be one of the most exciting teams Chippewa Valley has ever had.

J.V. Nets Championship

The J.V. Volleyball team, for the second year in a row, has won the Oakland "A" League Championship.

There are many reasons for the team's success. Among them is the excellent coaching of All-American, Dee-Dee Bott. The experience of the returning sophomores and the vitality of the many freshmen makes a winning combination. Captains, Christy White and Sheri Congdon lead the list of individuals who deserve recognition for their efforts. Gayle Waelchli and Kim Cieslak were two of the team's best servers, while Kellie Perica and Debbie Spratke took care of hitting. Deanna Semenas, a left-hander, added a new dimension to the team. Sheri Congdon was first in set and net play, and for her efforts was selected to the All-Star J.V. team in the first annual Chippewa Valley Tournament.

The team received recognition by placing fourth of 13 teams in the C.V. Tournament. Coach Bott says of her team, "I could always count on one girl to have a peak performance and pull the team through."

Frosh Volleyball Debuts

1979 marks the debut of Chippewa's Freshman Volleyball team. Coach Denise Lenders, a former student of Chippewa, taught the girls the basics of volleyball. This was no easy task, for many of the girls had never touched a volleyball before the first practice.

Their win-loss record reflects only the strength of the competition. Since very few schools have Freshman teams, the girls were forced to play more experienced opponents. With a season of play under their belts, the girls will toughen next year's Junior Varsity team.

Chippewa's All-Americans

The All-American Volleyball team got more than it bargained for when Maureen Raska became one of the chosen few.

Aside from her obvious abilities as a volleyball player, Maureen also excelled in other sports. She demonstrated her athletic talent in Track and Basketball. Maureen presently holds the school records in high jump and long jump and was a member of the record holding 880 yd. relay team.

She was Valedictorian of the class of '78 and a member of the National Honor Society. She also participated in band for four years on an individual basis and with the group.

Diana Lynn (Dee-Dee) Bott also made the honor of the All-American team. Dee-Dee is undoubtedly one of the most outstanding athletes ever to attend Chippewa Valley.

She was a strong asset to team athletics; as she was a member of the Basketball team in the fall, Volleyball in the winter, and Softball in the spring.

In four years at Chippewa, Dee-Dee earned 12 Varsity letters. She was one of the most exceptional pitchers the Softball team had ever seen, and was equally impressive on the basketball court.

Dee-Dee was also a member of the National Honor Society.

Varsity Comes Out on Top

The 1979 wrestling season was an exceptional one and the varsity team had a great many outstanding wrestlers. Glen DeGrendel and Stan LaPerriere both went on to regionals. Stan LaPerriere and Rocky Kohler competed for the most pins of the season and Glen DeGrendel went undefeated most of the season. Other outstanding wrestlers were Tony Lamberti and Darryl Mangianti. All through the 1979 wrestling season the entire team was outstanding. The team has, and will have, many promising young wrestlers offering many excellent wrestling seasons to come.

J.V. Has a Good Season

The Junior Varsity team proved that Chippewa Valley should continue its winning ways by posting a 13 win and 2 loss season. They also placed third in the Chippewa Valley Invitational. Boys Track Is Determined

The pride and satisfaction of knowing their own improvement was the trademark of the 1978 track team. Vast improvements in speed, strength and endurance were quite apparent by the end of the season. Highlights of the season were the victory over Clintondale, Brian Christensen going undefeated in the 100 yard dash and Art Miller qualifying for the state finals by winning the state regionals in the discus. Building on that improvement the Big Reds would like to add a few more meets to the victory column for the 1979 season.

Girls Track Is Exceptional

The 1978 Girls' Track team has a list of accomplishments almost as long as its list of members. With the largest number of participants in Chippewa's four year history of girls' track, the coaches saw great potential in the team.

Under the supervision of coaches Dan Phillips and Larry Birch, the team demonstrated its worth. With an overall record of 9-0 and an Oakland "A" record of 6-0, the team had established a name for itself. The team won the Oakland "ALL League Meet, the Mt. Clemens City Championship, and the Romeo Invitational. Ten members qualified for the State Finals. Ten school records and two Oakland "A" records were set. The team also set a new record in scoring over 100 points five times in the dual meet season.

Young Team Gains Experience

The freshman baseball team combined good talent and positive attitude to produce one of the most successful freshman teams in many years.

The team attended the Cincinatti-Detroit Tiger's exhibition game, the High School Athletic Association Clinic at Tiger Stadium, and finished the season with the best record of a freshman team in the Oakland "A" league (both in winning percentage and total victories).

The success we experienced was due entirely to a complete, unselfish team effort. It would be contrary to the team concept we stressed to single out particular performers. All were valuable and necessary. Nevertheless, a good foundation has been established, for future Big Red teams. We are proud of our freshman baseball players.

Talented Varsity Shows Spirit

The Varsity Baseball team was one of the most talented teams in the league last spring. Many games were lost by one and two runs. The Big Reds finished with a league record of four wins and eight losses. They played only 12 games due to many rain-outs.

Outstanding players were Dave Thoel, a first team All-League selection, Ron Thoel, Rich Staels, and Deryl Beasley who received Honorable Mention.

The Varsity Big Reds are very capable of being one of the big teams in the Oakland "A" League. Coach Terry Huffman will be back to coach them after a year break. He is very confident in the Big Reds success.

Girls Play Strong All Season

The Girls Varsity Softball Team posted seven victories last spring to surpass the .500 mark at 7-5. The team was coached by Terry Drake. She taught her girls how to work together and win gracefully. The girls are planning for spring training in Florida. So be ready Oakland "A" the softball team will be ready.

Spirit Shines Through

Cheerleaders. Yes, that's what they are. The 1979 rah-rahs have once again risen the spirits at Chippewa sky high, and with the help of Miss Kaye Paul they have tried to bring some fight to the Big Reds' sport season. The squads this year have grown considerably with Varsity having 10, Junior Varsity 10 and the Freshman have 8. The '79 cheerleader captains were: Varsity: Andrea Craner; Junior Varsity: Carmella Tanoury and Lisa Shanahan; and Freshman: Barb Shandor.

Who exactly are the matmaids? Many might ask. Well, they are a group of 7 girls that work along with the wrestling team keeping scores, announcing, and raising spirits at the wrestling meets. The girls are kind of an off branch of the cheerleaders and are run by Mr. Savel. The matmaid captain this year was Terry Hauer.

The Board of Education is your voice in the school system. The six members, elected by the community, represent the people in matters involving district educational policies. Board members devote long hours to the development of guidelines designed to promote the highest possible standard of education.

The Chippewa Valley School District has adopted the philosophy of the child-centered curriculum; students have different learning rates and various learning styles and teachers also have preferences for particular teaching methods. Hence a number of different approaches are used, including individual learning stations, team planning, self-contained classes, multi-age and/or multi-grade groupings. Music, art, and physical education are available to all students.

The educational program of Chippewa Valley Schools is fully accredited by the State Dept. of Education, the University of Michigan, and the North Central Association of Schools and Colleges.

Dr. George DePillo
Superintendent

The 1978-79 school year has brought many new things to Chippewa Valley. One such addition is a new superintendent.

Dr. DePillo, who has the job of being chief executive of the school district, administrates every facet of school activity and reports to the school board about them. That is where his two assistants come in. Dr. VanEvery works with the Instructional and Curriculum sections of the school. Mr. Roth, the second assistant takes care of all the business affairs. Together these men are the backbone of the Chippewa Valley school district.

Everything from filing to helping students in various ways are the jobs of the entire office staff.

The East center staff consists of two secretaries: Mrs. Nazione, who works on all the school's internal accounts, and Mrs. Thomas, who is Mr. Cook's secretary.

Meanwhile, at the West center the secretarial duties are handled by Mrs. Baker, Mrs. Quinn, and Mrs. Meininger.

An average of two students per hour help out the staff by running errands, answering phones, and contacting students for the principals. In general the office staff is organized and hardworking.

The Media Center is even better this year with the addition of the two story facility in the West building. The people responsible for keeping the Media Center in tact are Media specialists Mrs. Stange, Mrs. LaBuda, and Mrs. Wheaton. The Center is well equipped with a variety of books, records, magazines, and newspapers. Students find the center very useful and spend many hardworking hours researching a variety of topics. The A.V. Dept. is also an extended branch of the Media Center which helps students out greatly. So, if you ever encounter problems, step into the Media Center at C.V.H.S. and study your problems away.

A.V.: Bigger and Better

Filmstrips, movies, records, and tapes can all be found in one place: Chippewa's Audio Visual Department, best known for providing educational and entertaining goods. The A.V. is also expanding to bigger and better things, such as Math and Science materials on the upper floor in the West Center.

The Audio Visual facility is a branch of the Media Center and is headed by Mrs. Fleck in East and Sarge at West.

Projectors, casettes, film loops, and overheads are among the abundance of equipment at each site.

A.V. is also a class that averages about four students an hour. They learn to run, maintain and care for all the equipment.

They Keep Our School Going!

Twinkies, Big Chiefs and Hoagies are among the delicacies that the C.V.H.S. lunch ladies specialize in. Everyday the kitchen staff works hard to keep our stomachs content, and they don't do a bad job at it.

"You! Yes, you! Do you have a class this hour? Well let's get there," are familiar words spoken by those people we call hall monitors. There are several watching our halls all the time.

"Bus 58 is now arriving please allow all students into your class." Sure we might have 5 inches of new snow or a 100 degree heat wave, and still our trusted bus drivers get us to school. So to all of them we say, "Keep on Bussin'."

Who cleans up after 1800 students each day in 3 separate schools? Well it is Chippewa's Custodians led by, of course, Jessie. The Custodial force works hard to keep our school clean inside and out.

"Write on," seems to be the goal of the C.V.H.S. English department this year. Students are really showing their contribution to the schools literary magazine "Something of Value."

The wide variety of courses offered in the English department allow the student to explore deeply many facets the subject encompasses. Courses such as, Philosophy and Religion through Literature, Shakespeare, and Theater Arts lift the student from the realm of traditional English and make learning fun.

From English 9-2 to Advanced Composition the department offers a course to suit everyones' needs.

The Social Studies department has set higher goals than ever before. They are striving to make the student aware of the world they live in and the contributions made by others in history and government. To study groups and individual behavior, classes and class struggles, and cultures around the globe.

These plans will be implimented with well planned and coordinated curriculum and superior instructional techniques. With these goals, the students are allowed to pursue the hope of continuing the democratic ideals that have made our country what it is today.

Once the student completes the required courses of Social Studies, he has a fuller meaning of the ideas that led to the beginning of our country and the continuation of our freedom.

The math program at C.V.H.S. offers many different classes. During the 78-79 school year, students acquired broader knowledge of the math curriculum due to new classrooms available in the West Center. A new computer helps solve those impossible problems students may have to face in the future.

The math department is trying to teach the students at C.V.H.S. the value of numbers in the world of today. They do this by having courses from basic math and geometry to computer usage.

This year the Science department has opened up many new doors of knowledge through the use of new facilities. Students can experiment with an air track (an electric monitoring device) or combine elements without the possibility of an accident because of the explosion hoods. Students can also enjoy the comforts of cabinets, which allow them to have a place for everything; and private project rooms equipped with hot and cold running water and plastic sinks to complete experiments.

The science department helps bring the student to a stronger grasp on the composition of the environment around them.

With the opportunities to travel becoming more apparent, more and more people are starting to become interested in the different cultures of the world. To accommodate these students, C.V.H.S. language department is a good introduction. Along with learning the languages of French and Spanish, the student learns how the people of France, Canada, Spain, Portugal and Mexico live. They learn the importance of understanding the cultures of others, whether they be born in France, Greece, or a subculture of America. Ms. Kendziora and Mr. Zalar with their special way of teaching help students appreciate the value of languages and different cultures.

Supportive Learning ... Individuality

1

The Supportive Learning staff has added two new teachers this year, Miss Janice Courtney and Miss Sally Durner. Along with new teachers, new facilities and new programs have been added for supportive learning students use.

Individual instruction is given to each student in the areas of math, science, social studies and English. With emphasis made on individuality, patience and understanding are essential.

To sum it up shortly, the supportive learning team represents individuality at work.

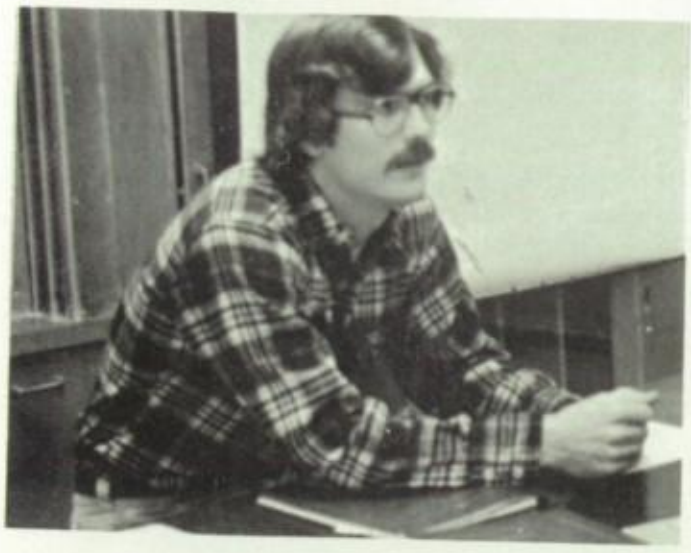
Health, Never A Dull Moment



1

Although a credit in health is required to graduate from Chippewa Valley high school, many students are now beginning to see the class as more than a pass or fail grade. It is an interesting class that combines the sciences of anatomy, physiology, ecology and psychology. Students learn the total meaning of the word health as it applies to personal health, mental health and physical health.

Once students have mastered the basics of anatomy they learn the functions of different body organs. These areas are explored through research projects and class participation and discussion.

Chippewa has three bands; the Varsity band, the Concert band and Symphony band, all under the direction of Mr. William C. Berndt.

Varsity band is composed entirely of freshmen. Musicians work separately in brass and woodwind groups and are combined for concerts and performances. The Symphony and Concert bands are composed of freshmen through juniors. They perform in regular concerts, band competitions, and seasonal concerts. Symphony band is a group of Chippewa's most talented musicians. Freshmen are not permitted to join the group. The band competes against other high school bands in local and state competitions. They also perform seasonal concerts and select musicians from this group to make up the Pit Orchestra for the yearly musical.

This year has been very challenging for the choir under the new direction of Kathellen Merrill. The year started out very successfully with standing room only both nights at Fall Follies. The Christmas concert was held at St. Peter's church and the choirs were accompanied by a Flushing string quartet. During the holidays the

Several soloists received top ratings at state competition. Arlene Theisen, Ann Deeb, Jim Riggio and David Klerkx all received one. The spring concert was the last performance of the year, being just as successful as Fall Follies. This year has been very enduring as well as productive for everyone involved in choir.

The business department seems to be progressing in many areas this year. With the new west center open, the business department has many new machines available for students to use. Secretarial occupations, a new vocational class, is geared towards teaching the students not only the basics, but what it's really like being a legal or private secretary or to work in a secretarial pool.

The basics of business are also on hand for those who want to learn typing, shorthand, record keeping, etc. These classes are helpful to those who use typing in the classes they are presentlv taking.

While living in the age of modern technology we have seen many changes in how our society is operated. Data Processing is an example of modern technology taking place in our school today. Students can learn how to program computers to solve difficult problems. Being a vocational course, it enables the student to acquire the skills needed in seeking employment after graduation. It not only is beneficial for the students' present use, but is also helpful when applying some methods used in solving problems to everyday life.

Doing Everything With Style

Like the picture says, Hairdressers do it better; and the Cos girls can prove it! Not many people know the hard work and dedication put into Cosmetology class. This vocational class begins at the start of your Junior year, continues throughout the summer, and all of your Senior year. After working a certain amount of hours, the girls are ready to try their expertise on real customers. They practice by giving shampoos, haircuts, dyes, and permanents. During this time they accumulate 1500 hours of experience, enabling them to get their operator's license.

There's Alot Cooking At the Meeting Grounds

McDonald's, Big Boy's, Denny's, and Sixpence all had to start out somewhere and so has the Meeting Grounds. This faculty serving restaurant is run by Mrs. Rose Bellanca and Commercial Food students. Besides managing the Meeting Grounds, students are trained in the preparing, purchasing, and servicing of food, which is excellent training for a future career as chef, matre'd, and many more rewarding careers in the restaurant business. They have already proved their accomplishments by the success of the Meeting Grounds.

Take Two Aspirins and Call Them In the Morning

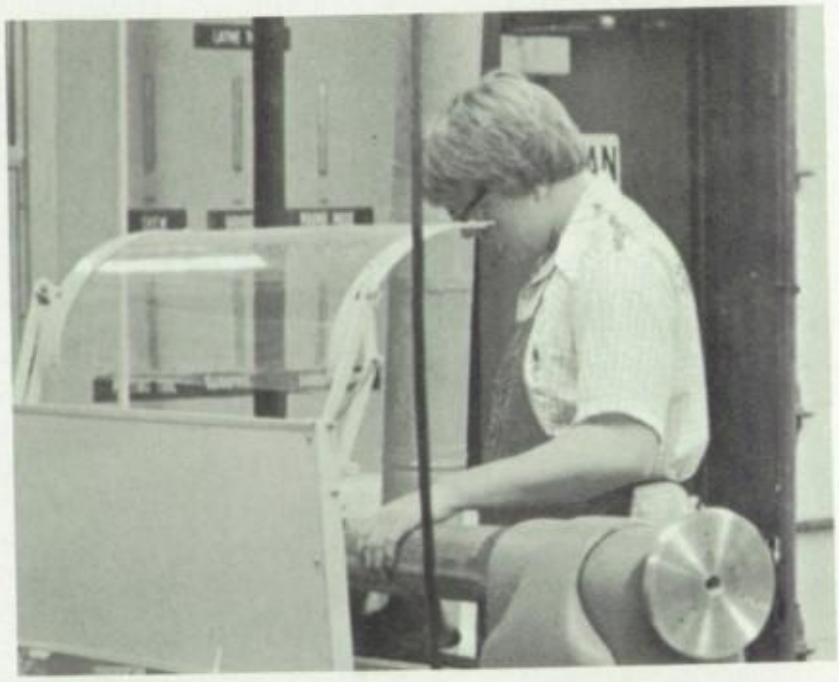
Health Occupations class gives the students the chance to learn more about the medical field. The students learn first aid, CPR, taking blood pressures and many other useful things. Health Occupations can also help decide if the medical field is the right decision because of guest speakers, field trips, and actual experience in a health related job. They are guided by Ms. Helen Roche, a registered nurse.

Woodworking Displays Talent

The Chippewa Valley Woodshop is one of the most popular programs offered at the high school. The students who staff the program are creative, productive, and somewhat dedicated to the shop and to their work.

Our facility is a well-run program and the students have great pride in their woodshop.

Many of the students have captured state awards and honor throughout the years which is a testimony not only to the program but to its instructor.



Raising the Roof

The students in Building Trades are working on projects ranging from closets to barns, and everything is overseen by Mr. Mahar. The two year course is designed to provide the students with job entry skills in the areas of carpentry, plumbing, electricity, masonry, and painting. These skills will be helpful to the students in the future, even if they choose not to go into the building profession.

Drafting: Planning Ahead

3

Plans are the first step before you can do just about anything. In building though, your plans have to be exact and Mr. Rozoff helps his Drafting students develop the precision that drafters need. It's a challenging class that requires both mental and manual skill. There are an unlimited amount of places where drafting skills can be used, and many doors can be opened for the future by them.

High Voltage

Working with wires and watts, tuning them up and changing them around, this is what Electricity and Electronics is all about. The students under the supervision of their teacher Gil Mattson are involved in experiments that are literally shocking, which require a lot of patience and hard work. Once well acquainted with the field, they move on to working on t.v.s and pinball machines.

A career in radio and T.V. is rough, but Mr. Tycholiz helps ease the way in his Radio and T.V. class. They work on many phases of Radio and T.V. including disc-jocking, technical, production, and of course broadcasting. They've even been involved in on-location filming this year. In the future C.V.H.S. may have its own radio station broadcasting into both cafeterias during the lunch periods.

Printing in Process

Graphics at Chippewa is the core curriculum for those entering or those anticipating a career in the printing industry. Course content offers opportunities to those pursuing studies in photography and the publishing field, such as the Signal and the Arrowhead. Art students are finding by studying graphics and the reproductive process applied to their work, that it better enables them to produce reproduceable artwork.

4

3

1. Maureen O'Brien and Mark Bratto share the graphics experience.
2. Mrs. Nazione drops by Graphics to talk to Mr. Lacross.
3. Mr. Lacross demonstrates how to use the press.
4. Tom Bagozzi looks really proud to be in Graphics.

Solid Steel

3

Machine Shop enables a student to become a tool maker of the finest caliber. Mr. McCormack guides his students in all their projects including the replica of the first car ever made in Detroit. The students researched, designed and did all their own work on the car. The seniors have two hours of Machine Shop and then go off to work in Tool and Die shops, where as Mr. McCormack says, "they all earn better salaries than I do."

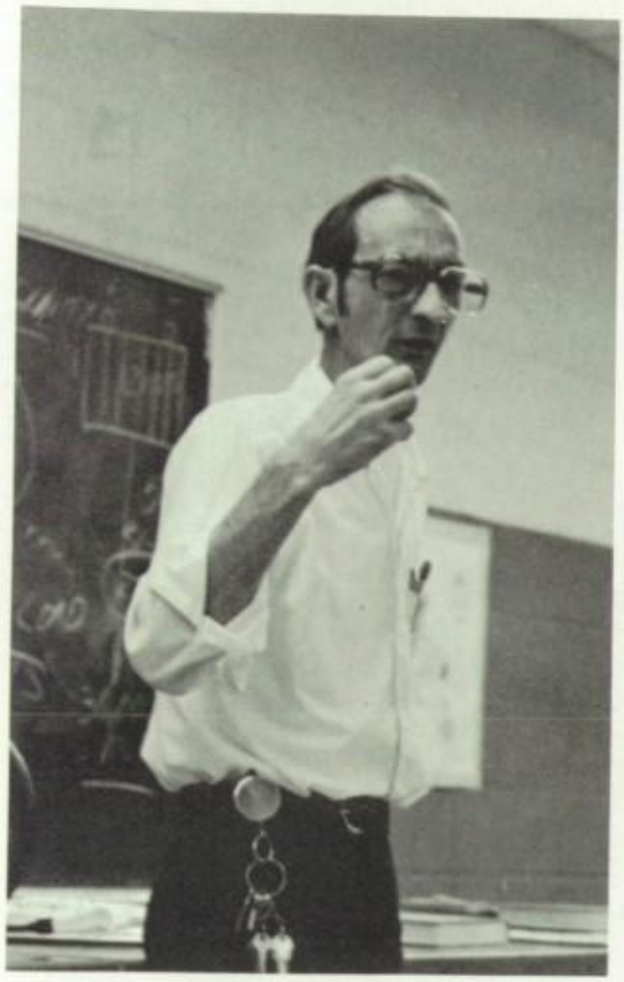
4

2

1

1. Nick Conte and Ken Kelly know exactly what they're doing.
2. Mike Malburg and Paul Snabes work together to get the job done.
3. Keep your eyes on what you're doing Ken Kelly.
4. Mr. McCormack shows his affection or Steve Kehrig.

Auto Shop Gets Their Engines Started!



1

Auto Shop has become bigger and better. The men that make these classes work are Mr. Mueller, Mr. Pajakowski, and Mr. Philps. Their goals are to help students (girls too!) of these classes to learn what to do when your car breaks down, and how to fix it. This is a very learning class to all students.

2. Marietta giving the photographer a sexy look.
3. And the winner is ...
4. Watch out! The hood's falling.
5. Mr. Phelps studying an intriguing answer.
6. Who do you think you are? Superman?
7. Mr. Mueler looking dapper.
8. What's the verdict? Hopeless?
9. When all else fails, read the directions!
10. There really is an engine in there!
11. I'm a junker, not a muscle car.
12. Up, up and away in my beautiful car?

Bloomin' Things

Flowering plants and banana trees that's what the students and teacher, Doug Spinks, are all about. Making things grow and making plain dried flowers into beautiful flower arrangements which can be purchased by the public. Many of these projects have sold like hotcakes, but it doesn't stop there. Landscaping is a big part of it, too. Designing houses and the colorful scenery that surrounds them.

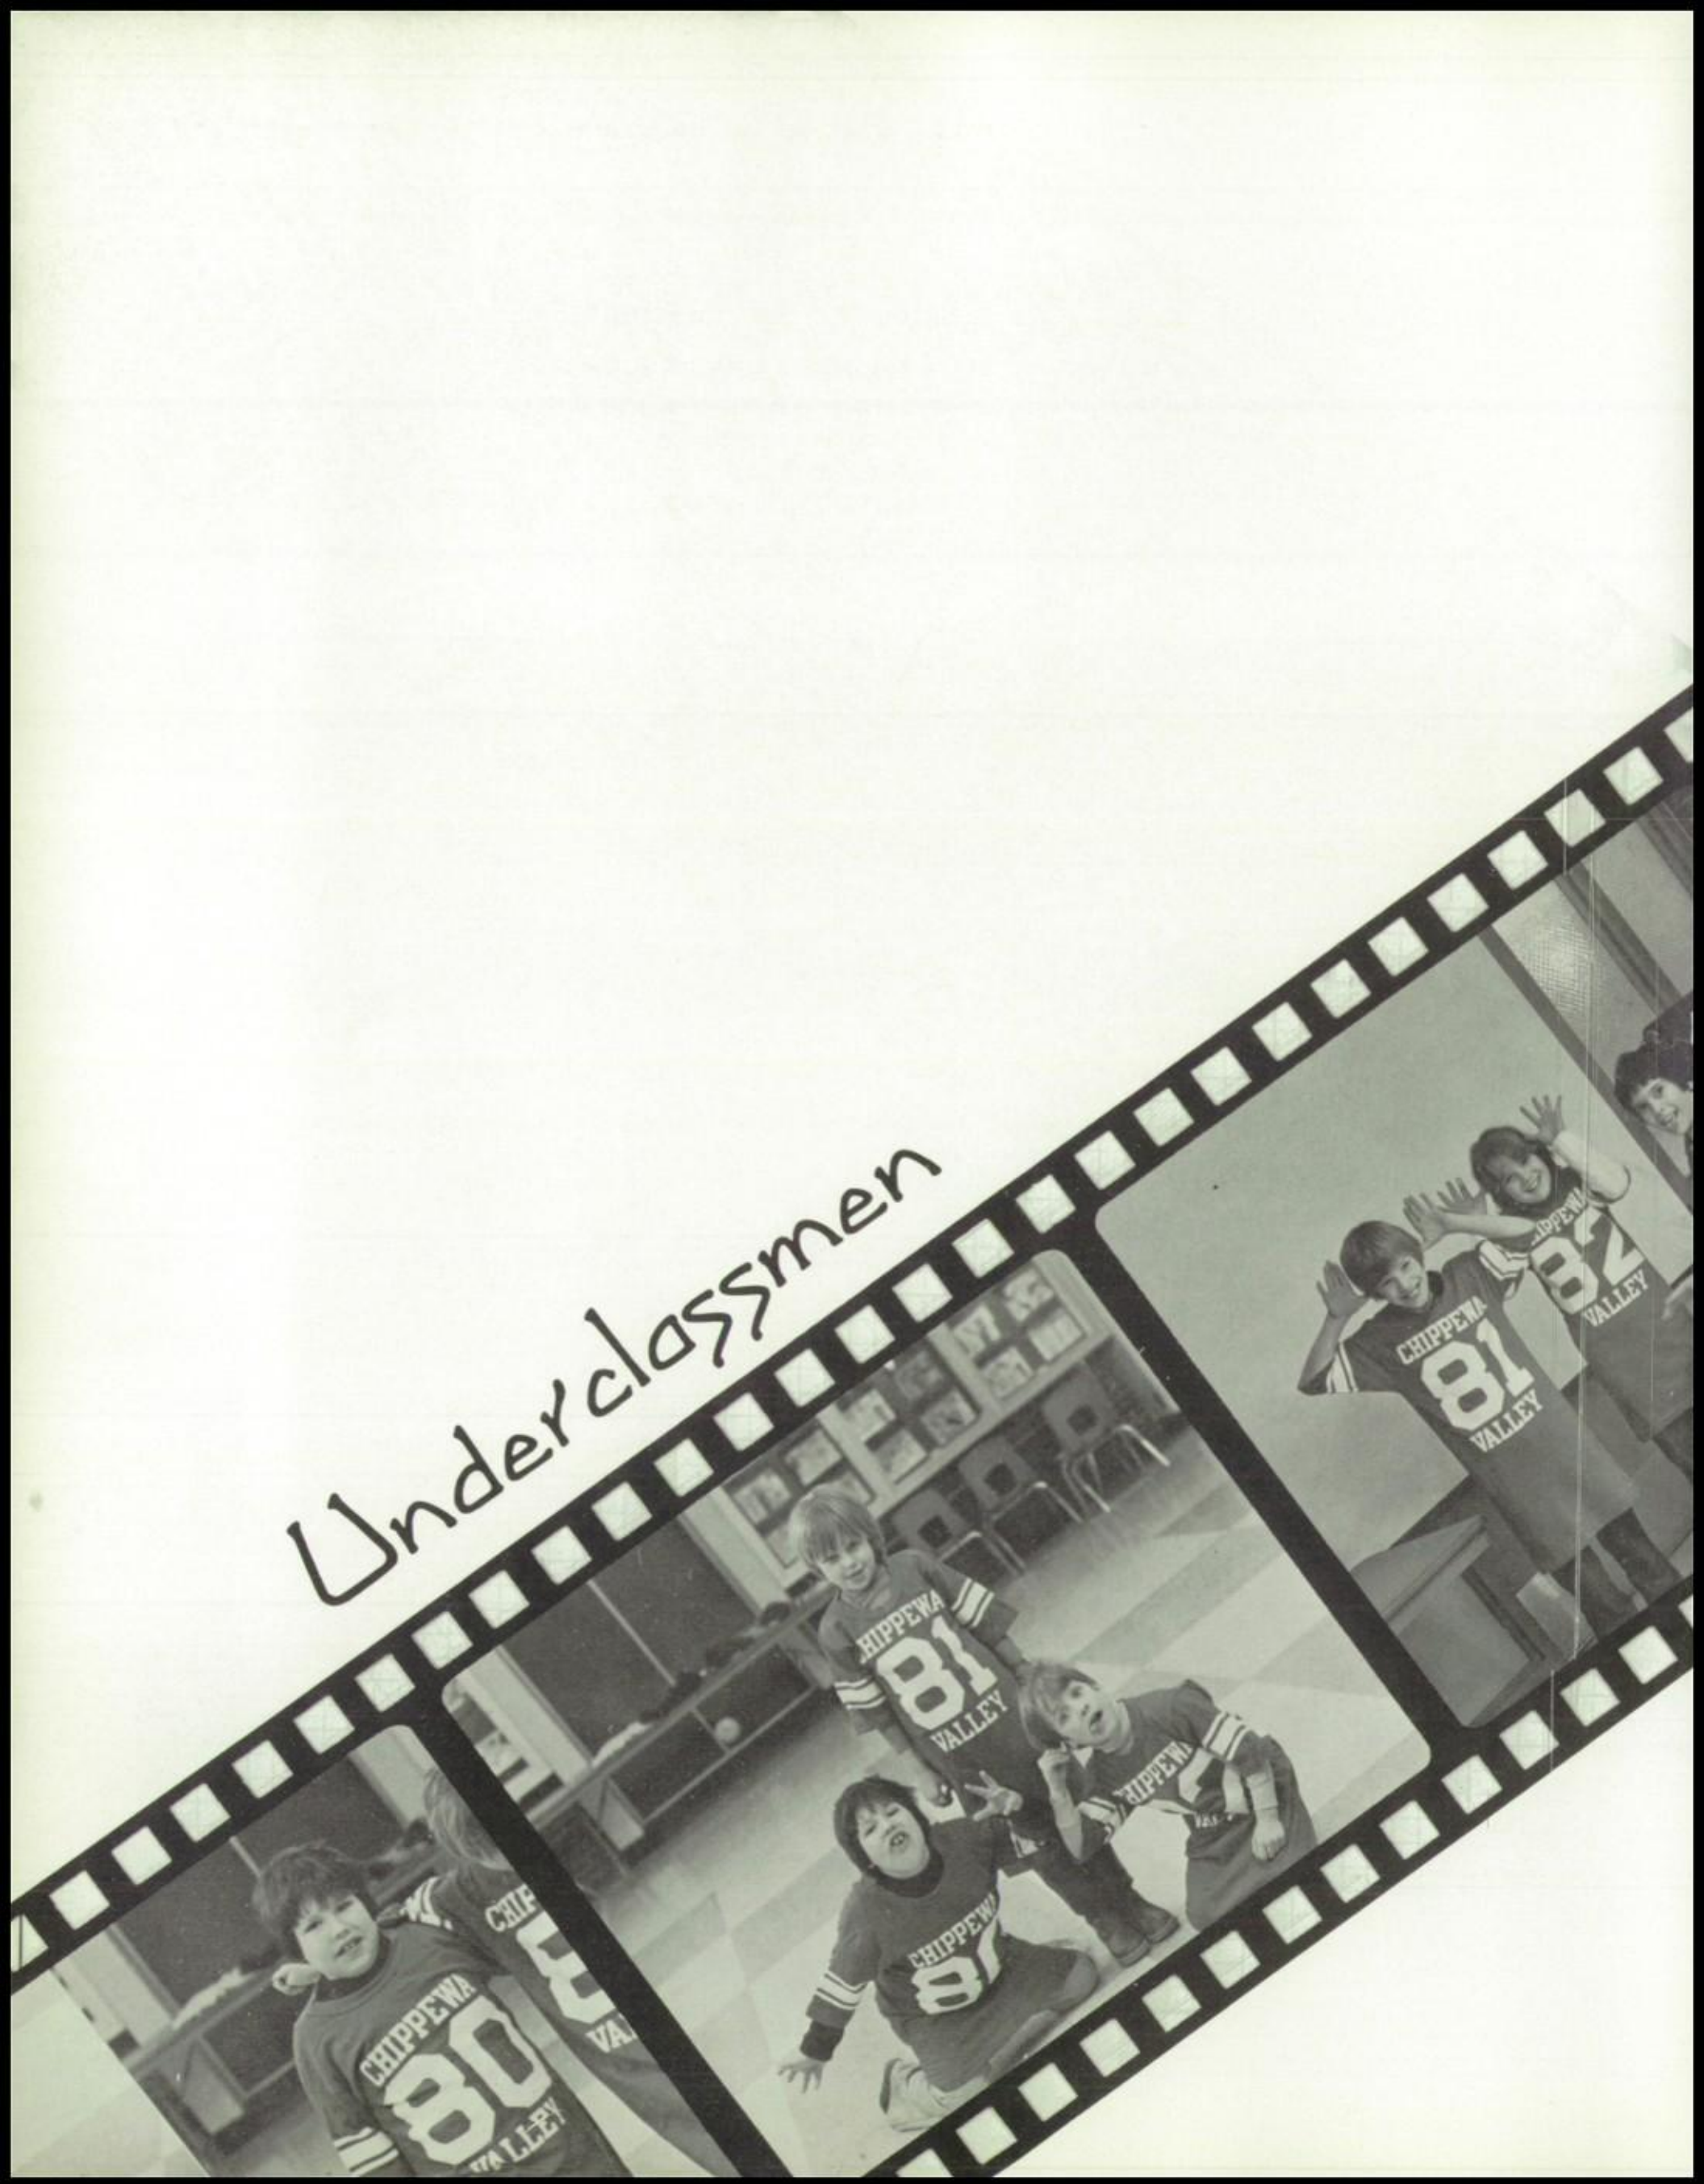
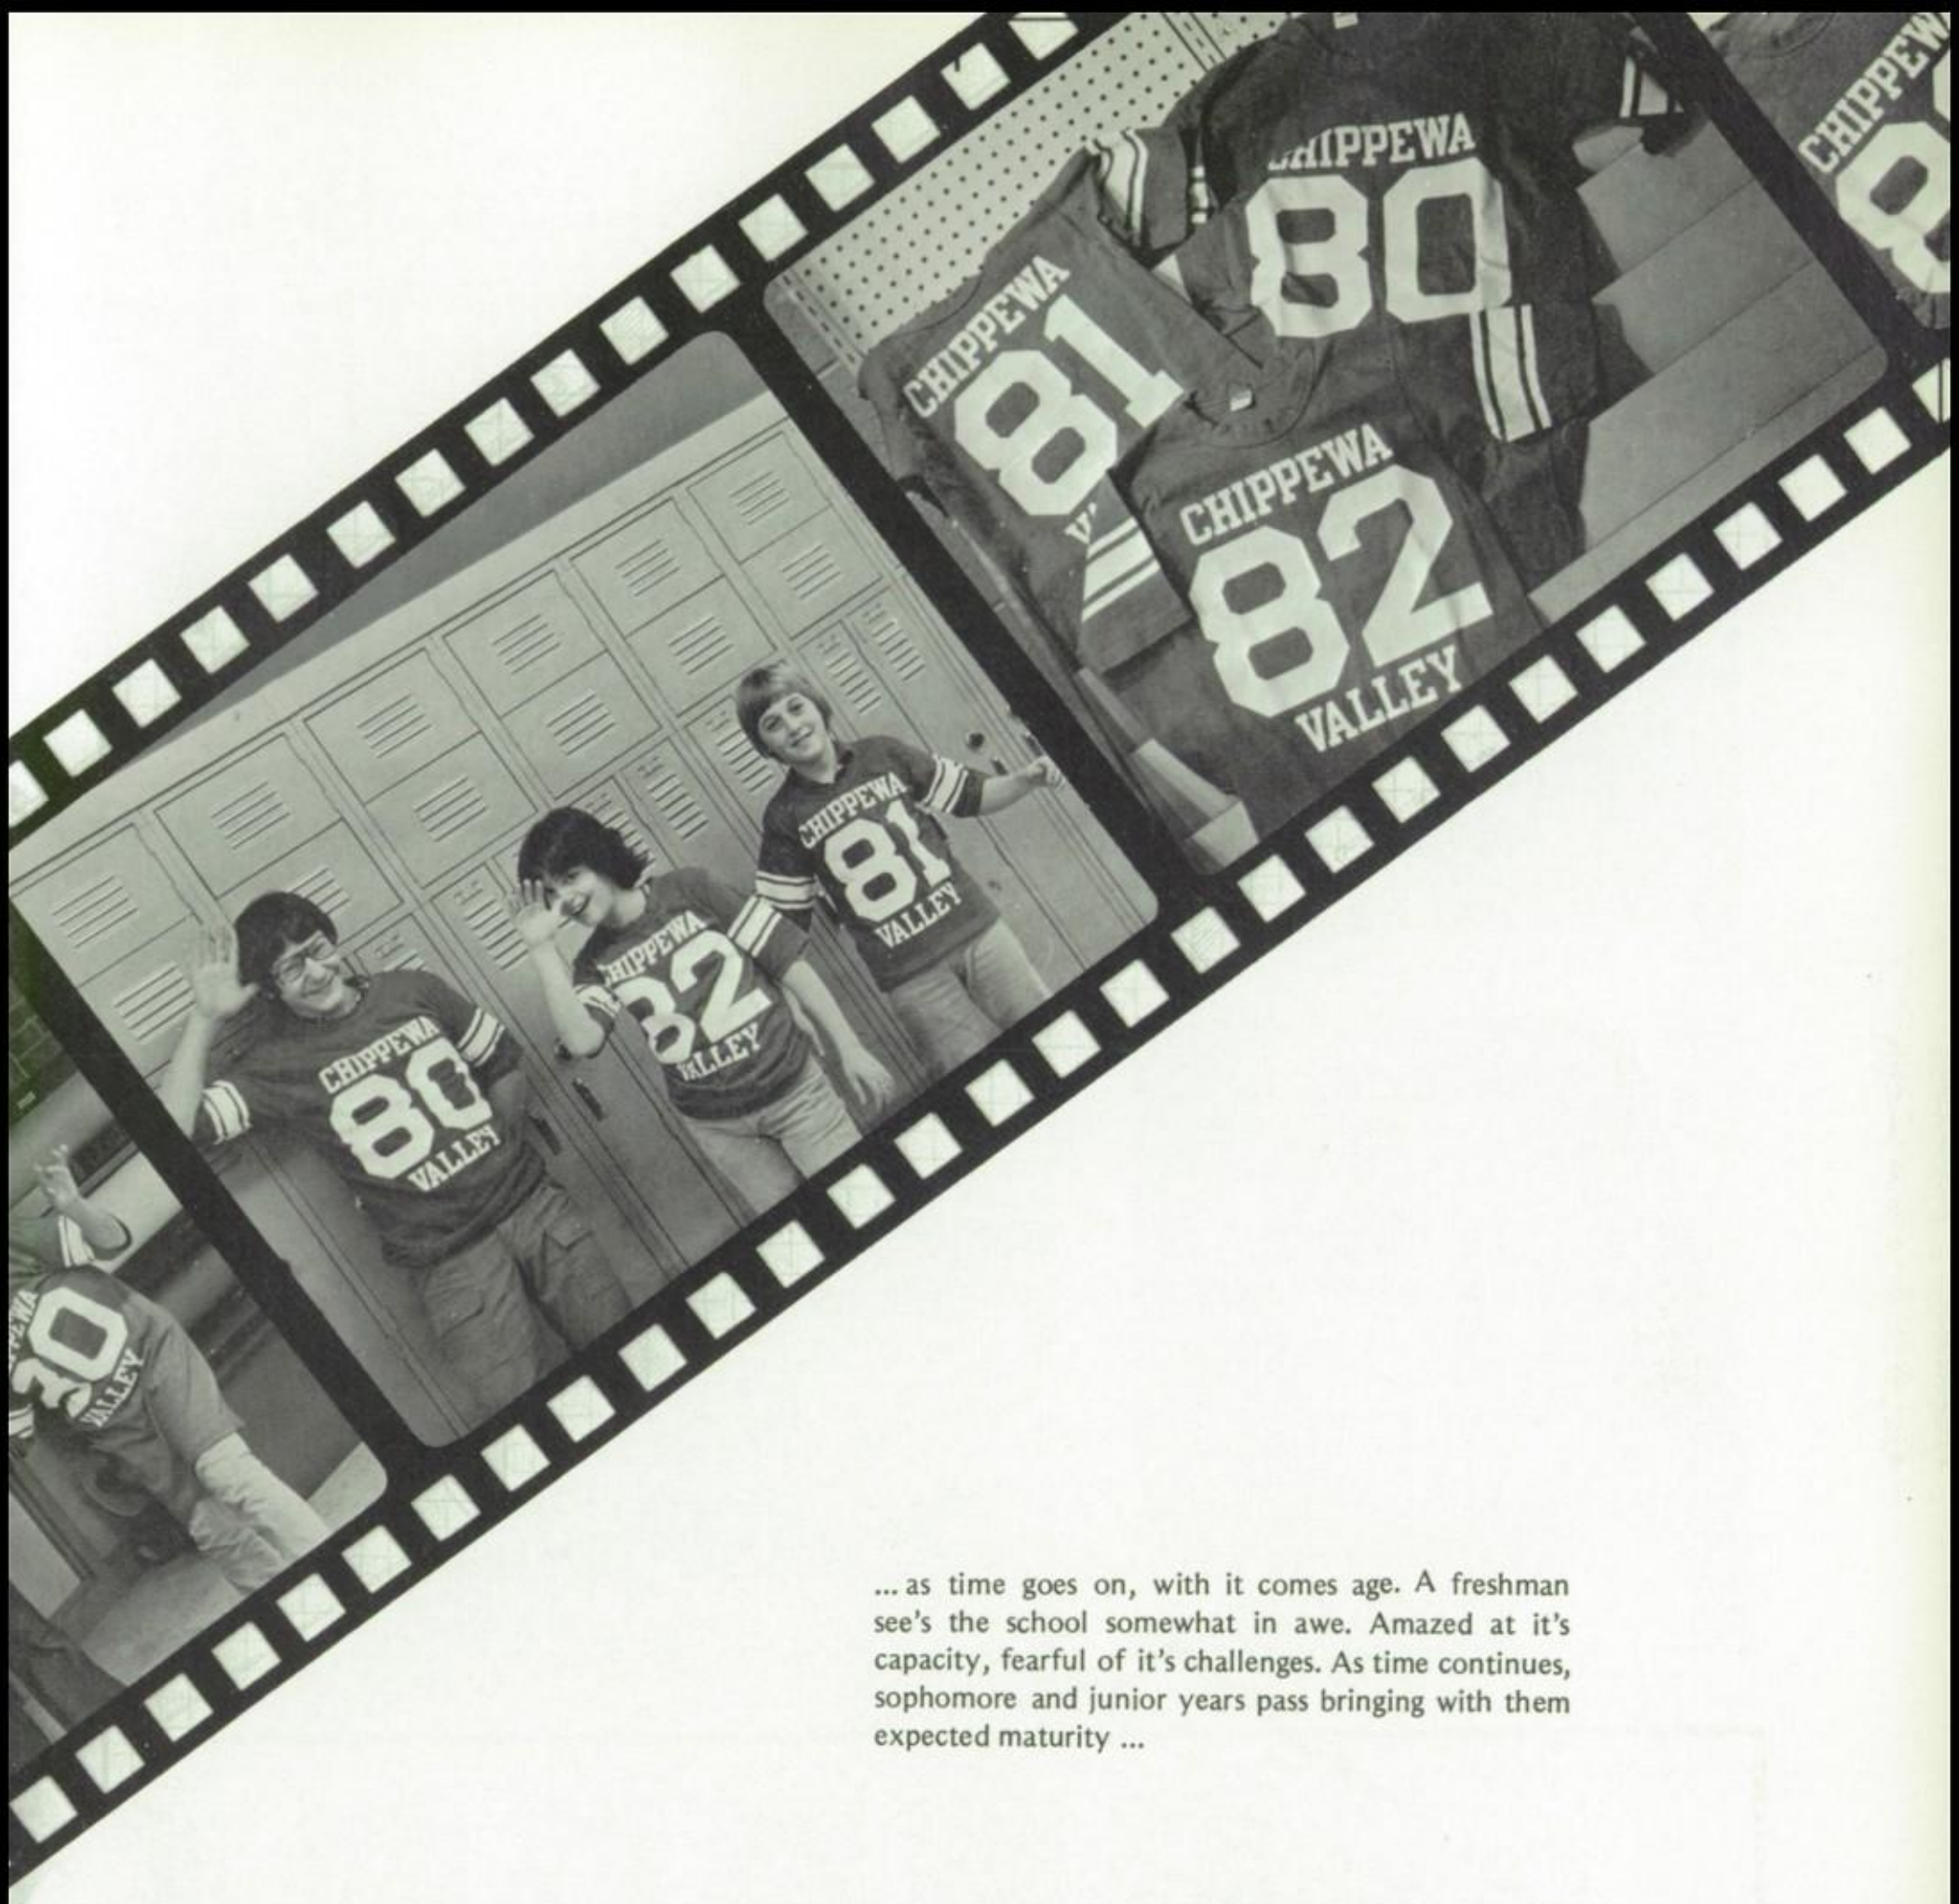
1. Denise Wrobel is plant happy.
2. Louanne Krause finds pleasure in her work.
3. Nina Marcano checks out the banana tree.
4. Linda Giulianelli looks up from the wreath.

The aim of education should be
to teach us rather how to think,
Than what to think –
Rather to improve our minds,
so as to enable us to think for ourselves,
Than to load the memory with
the thoughts of other men.

James Beattie

Underclassmen





... as time goes on, with it comes age. A freshman see's the school somewhat in awe. Amazed at it's capacity, fearful of it's challenges. As time continues, sophomore and junior years pass bringing with them expected maturity ...

Than Ever

3

Still I recall, the happy times,
Laughing arm in arm, so alive.
Was it years ago or just today,
When you turned to say, lets stay.
But one more year and we'll be gone, I think it'll be alright.
There was a time, I thought it would feel wrong,
But it will be worth our fight.
Get it together,
Be yourself,
Let life take you in its arms, Set new goals, don't lose control, Share love until the end.

FRESHMEN CLASS done by: The 423rd Kamikaze Highlanders Suicide Division

They're Only Just Beginning

1

2

Freshmen — the rookies of the school, showed how well they could adapt to a new place. After a few days in Chippewa, they felt right at home. Being the youngest did not hold them back. This year's freshmen class was full of enthusiasm and spirit. They proved they could handle a new situation and turned this year into an outstanding one. Helping them do this were their class officers: Bryan Goike-Treasurer, Kathy Malburg-President, Joe DiMauro-Vice President and Julia Heinzmann-Secretary.

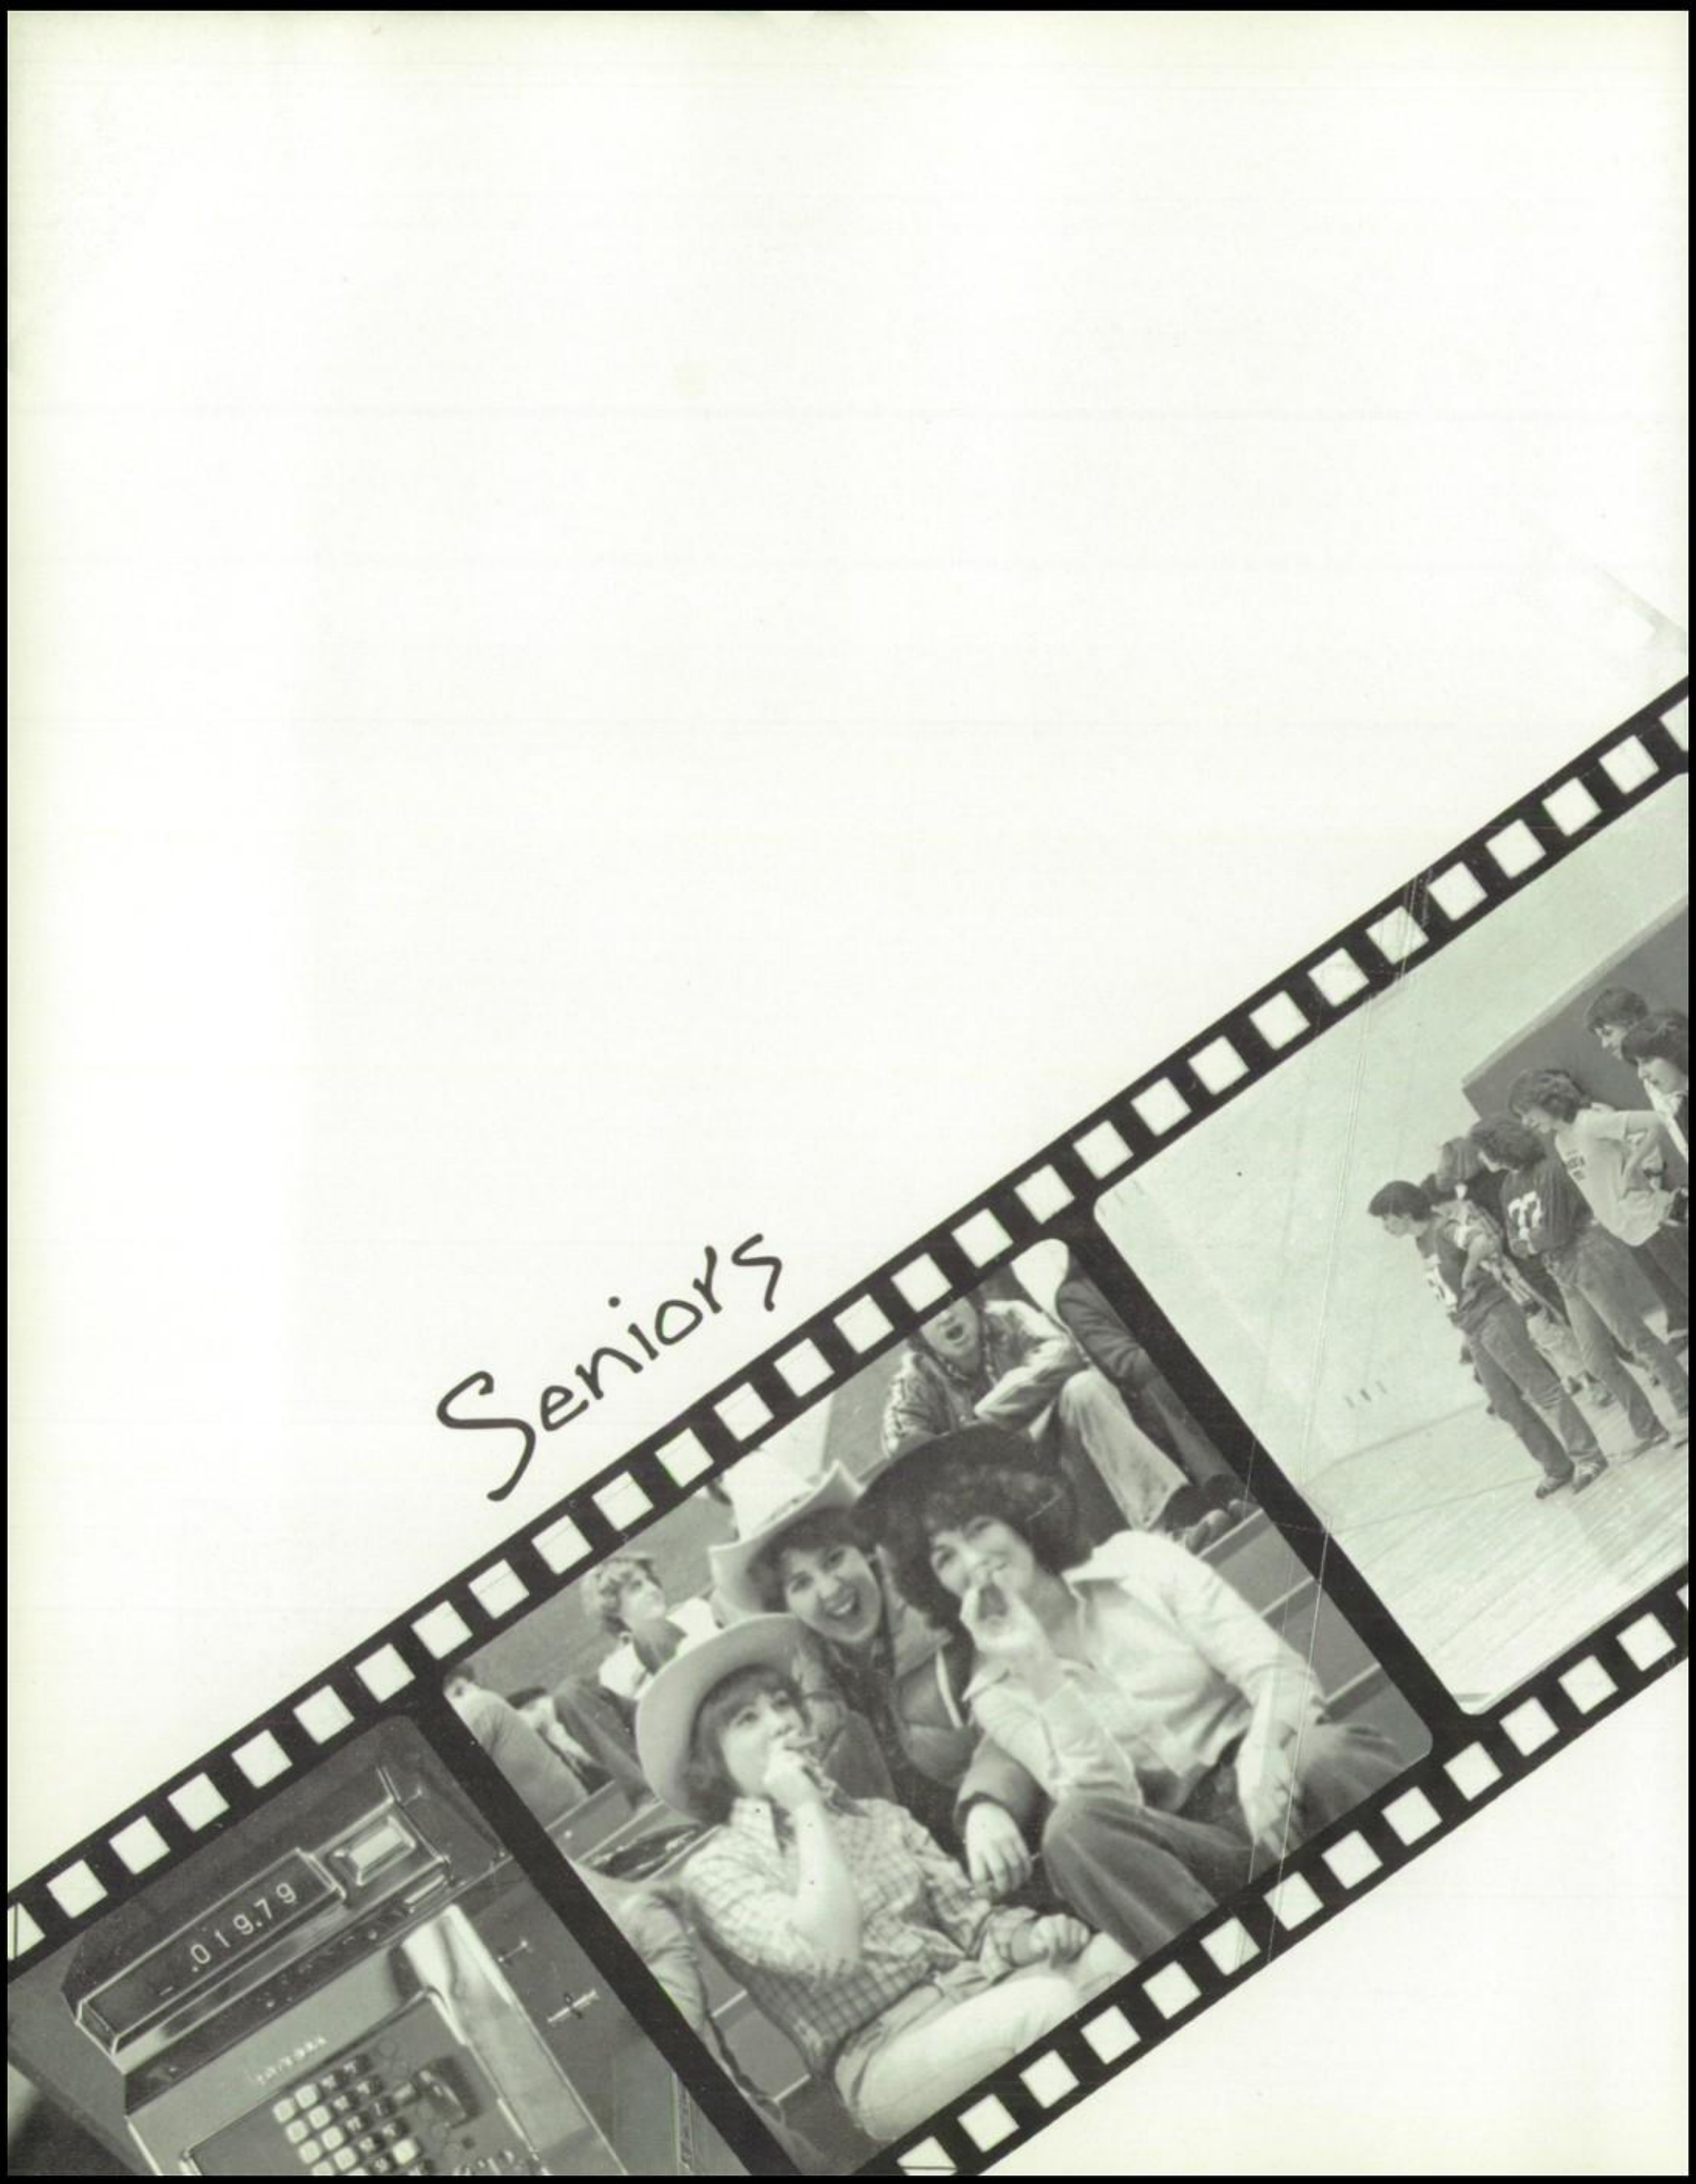
Seniors



... and now the experienced senior is ready to shed his surroundings. The time has come to open the doors, to reach out – hesitantly because now he must say good-bye – once again alone in a new world.

"Because another road is calling, I'll
say good-bye ..." R. McKuen

Class of '79 Reaches the Top

We did what they put us here for. We've left our mark. The Class of '79 came and is now leaving. Our class entered into a small S.C.A.L. school and will be the first to graduate from the modern three building campus.

Our frosh year was started on the right foot. We were the first freshmen class ever to win first place in the float competition. Our class ... watched Chippewa's halls grow crowded and turn green, orange and blue, participated in a walkout, were presented with speed bumps, new attendance policies, hall monitors and security guards. We watched our corn fields slowly disappear and were blessed with Mac's, Big Boy's, Buscemi's and Pioneer.

We are now near the end. We have been measured for our cap and gowns and we paid our fines. One-hundred of us spent eight memorable days in Daytona and many of us attended our Senior Prom at Penna's. We will enjoy our commencement rehearsal at the fieldhouse and anticipate graduation night. So long Chippewa Valley High ... thank you for the memories.

OUR SINCERE THANKS

TO

DENNIS L. HOUTTEMAN

THE YEARBOOK STAFF WOULD LIKE TO THANK YOU FOR TAKING ON THE ROLE AS YEARBOOK ADVISOR THIS YEAR AND HELPING MAKE THE 1979 YEARBOOK THE BEST ONE THE SCHOOL HAS EVER HAD.

THANK YOU.

I, Would like to thank the advertising staff for allowing me to say a few words about our group; The 423rd Kamikaze Highlanders Suicide Division. As some of you know at the end of the year (June 14, 1979) the group is being disbanded . We have went through a lot in our 4 years here together. We would like to thank all of the crew who is still around and say, that June 14, 1979 will be a day that will live in Imfamy.

Amid the hustle and bustle, utter craziness, rough drafts, hot wax, and clicking typewriters, we somehow manage to produce the 1979 Arrowhead. We were faced with many new challenges this year: color photography, new typesetting, and layout designs. We had our problems too. Because of our light-leaking darkroom, we were very dependent on Sieloff's Studios, to whom we owe many thanks. Mr. Weatherly, our dear friend was indispensible to us, always understanding our missed deadlines. Next, there's Hoot, our new advisor, who jumped into this as blindly as all of us. Even though a rookie, his hard work and dedication pulled us through and proved him a pro. We want to extend a special thanks to those who gave extra of themselves. All those after school hours will never be forgotten. It is them that finished the work that was left behind. Now, as we turn off our switches, cover the typewriters, empty the files, unplug the hot waxer, and return the empty pop cans; we look back on the hurried but enjoyable times and are proud to see what we have done. All of us hope that you will see the hard work that was put into this book and like what you see.

"Sometimes, not often enough we reflect upon the good things
and our thoughts always center around those we love
and I think about those people who mean so much to me
and for so many years, have made me so very happy.
And I count the times I have forgotten to say thank you
and just how much I love them."

Carpenters

Those Were the Days My Friend, We Thought They'd Never End

In a mirage of empty Buscemi pizza boxes, aspirin bottles and used Ko-rec-type; we can see scrapped layouts, unuseable copy and fuzzy pictures.

Yes, those WERE the days of sleepless nights spent cramming months of work into one long evening. The days that seemed like an assembly line production as the work was passed through its stages. At the head of the line, you'd find editors with their trusted pica rulers and blue pencils forming the layouts, the foundation of our yearbook. The staff then followed close behind with their evermoving scissors cutting away at pictures, headlines, and clustercuts. Last but not least, we could hear that familiar voice saying, "Oh boy, did you know the deadline was yesterday?" Yes, it was the sound of our fearless leader – Mr. "Hoot"eman. How he ever finished this year still intact has us wondering.

So as the mirage dims and a finished product comes into sight, all that's left is memories and a cupboard full of empty returnable pop cans, mutilated rulers and dull exacto knives – the legacy for future Arrowhead staffs.

In memory of Steve Peyerk

If it's magic ...
Then why can't it be everlasting
Like the sun that always shines
Like the poets' endless rhyme.

If it's pleasing ...
Then why can't it be never leaving
Like the day that never fails
Like the seashores there are shells
Like the time that always tells

Like magic ...
Our friendship for you will be everlasting
